Copy of a letter, dated the 12th February 1918, from
T.W.Arnold, Esq., C.I.E., Educational Adviser for Indian
Students to the Secretary of State for India, to the Secretary
to the Government of India, Department of Education.
.....

Will you please refer to my letter no.I.S.227, dated 31st
March last regarding the alteration in the rules for Government
of India Sanskrit and Arabic scholars (Appendix 5 to the
Government of India Rules No.399, dated 1st May 1916). We
have now found it necessary to make a further small change in
Rule 5 of these rules principally owing to the fact that one of
the scholars recently appointed has been much younger than the
ordinary run of Government language scholars. In the case of a
scholar of the same age as the ordinary undergraduate, there
are advantages to be gained from allowing him to join Colleges
at Oxford and Cambridge, which do not exist in cases where the
scholar is considerably above the ordinary age, and accordingly
permission has been given to P.B.Subramanyam Sastri to join
Balliol College, Oxford. As similar cases may occur in the
future the Secretary of State in Council has decided to sub-
stitute the words "Permission to join a College will not be
granted unless admission to the University is not otherwise
possible, or unless the scholar is of undergraduate age and has
rooms offered to him in a College", for the words "Permission
to join a College will only be granted in case admittance to
the University is not otherwise possible". I enclose herewith
two copies of the rules as now amended and shall be glad if
you will kindly have them circulated to the local Governments
and other persons concerned.

No. 66.—

RULES FOR GOVERNMENT OF INDIA (SANSKRIT AND ARABIC) SCHOLARS IN EUROPE.

All Government scholars are required to avail themselves of the information and advice which the Educational Adviser for Indian Students and the Local Advisers at University centres are in a position to give them and apply to their Local Adviser for instructions as regards their studies and in any circumstances of difficulty. The Local Advisers at Oxford, Cambridge, Manchester, Edinburgh and Glasgow have charge of Government scholars studying at those Universities. Scholars studying at other British Universities or abroad will be under the charge of the Local Adviser in London. The Adviser is the proper person to bring before the Educational Adviser for Indian Students any matter requiring the sanction of the Secretary of State in Council.

2. Every scholar should, on reaching England, at once report himself to the Local Adviser in London at 21, Cromwell Road, S.W. Accommodation for new arrivals is provided in that house. After seeing the Local Adviser in London and consulting with him in regard to his course of study, he should also call on the Educational Adviser for Indian Students at the India Office.

3. Every scholar must obey all instructions which he may receive, either through the Educational Adviser for Indian Students or through his Local Adviser. He must consult his Local Adviser regularly in regard to his work and carry out any course of study which the Adviser may ultimately prescribe. Any course which requires and has received the sanction of the Secretary of State will not be changed without similar sanction.

4. Every scholar must, from time to time, whenever the Local Adviser in London or other Local Adviser requires it, submit a certificate from the proper College or University Authority, showing that his conduct and progress in study have been satisfactory.

5. Subject to a due compliance with the above conditions, the scholar's allowance will be paid quarterly in advance by the India Office to the Local Adviser under whose charge he is. It will begin from the date of the scholar's reporting his arrival in England, and the Local Adviser will disburse it to the scholar in such instalments as convenience may dictate. Three months after the date of reporting arrival, the amount to the ensuing official Quarter Day* will be paid to the Local Adviser, and subsequent payments will be made in advance on or after each official Quarter Day. The allowance will generally be at the rate of 200% a year, and Language scholars at Oxford or Cambridge will be expected to become Non-Collegiate students, and permission to join a College will not be granted unless admission to the University is not otherwise possible, or unless the scholar is of undergraduate age and has rooms offered to him in College. In the event of a Language scholar having to join a College at Oxford or Cambridge, his allowance will be increased to 250% a year to cover the additional expenses involved.

6. Every scholar is required to lodge with the Educational Adviser for Indian Students at the India Office, London, before his arrival in England, the sum of 25% for initial expenses. He will have no claim to payment of any instalment of his scholarship until this deposit has been made.

7. The necessary travelling expenses of scholars abroad by second class, or by third class if no second be available, will be defrayed by the Secretary of State. These expenses should be claimed on forms obtainable from the Adviser. Travelling expenses in the United Kingdom will be borne by the scholars themselves. Charges for University and College fees, for private tuition, for books, hotel bills and medical attendance, must be borne by the scholar and will not be defrayed by the Secretary of State.

8. No claim can be admitted for the payment of any expenditure unless the scholar has obtained previous sanction from the Secretary of State.

9. The scholarship is granted in the first instance for two years, unless the Secretary of State in the exercise of his discretion sees reason to terminate it sooner. Every scholar will forfeit his scholarship who, not being disabled by illness or prevented by any other cause which the Secretary of State may consider sufficient, fails to comply with the Rules here set forth. The scholarship may, for sufficient reasons, be extended beyond two years by the Secretary of State. It may be terminated at any time within the first two years or later, if a scholar fails in health or conduct.

10. On the expiration of the scholarship a scholar is provided by the India Office with a free second class passage to India, and he should apply for it without delay through his Local Adviser. He is not entitled to make his own passage arrangements and to claim an allowance in lieu from the India Office. If a scholarship be forfeited, or if it be resigned before completion of its term, or if the holder of it on completion of its term declines to return to India when instructed to do so the scholar will lose his claim to a free passage back to India.

* Note.—The official Quarter Days are the 1st of January, the 1st of April, the 1st of July and the 1st of October.
