Sir,

I beg to state that the printing of the
Zonographical List of Inscriptions has made very
good progress as about 850 pages have been practi-
cally struck off and proofs for about 250 pages
are already in my hands. About 400 pages remain,
together with the contents, the dynastic analysis and
the Index. The whole will be over in the space of three
months. I therefore beg to request that the services
of Mr P. Srikantha Aiyar, the clerk, may be
extended, as I had originally requested Government
for ~~a space~~ three months. I may be permitted to state
that the preparation of the index for such a volumi-
nous work as the present one is a really hard and
laborious task and that even after the book proper is
printed the preparation of the index will take two
months more. I therefore hope that Government will
kindly grant my request and extend my clerk's
services from ~~the~~ April 10th to ^{August} July 10th, 1918.

I beg to remain

Sir,

Your most obedient servant,

V. Rangacharya.

Notes:- The retention of the clerk named in G.O. No. 215 Edn, 2/2/18. Feb. 1918 took him on till 10th May 1918. When that order was issued the Secy. was prepared to grant an extension of six months straight off, that being long p. 3 of notes to Gov. at (V) the period asked for originally by the A. A. S. But Financial wanted to buy ^{for} three months in the first instance. The A. A. S. has now come up for an extension by three months more. The draft may be sent to Gov. for acceptance.
