Extract from the Hon'ble Member's notes dated 21-1-1917 in the notes to G.O. 53 Financial, dated 23rd January 1917:--

"The question of periodicals in all Departments and Offices might be separately taken up and a vigorous cut made. There is an immense amount of waste there, and now is the time to introduce improvement."

It is submitted that the above extract may be communicated to departments of the Secretariat (except Pension) including the Chief Secretariat, in continuation of Financial U.O. No. 3817-3, dated 15th January 1917 for further action on the lines suggested by the Hon'ble Member.

Submitted that the Departments of the Secretariat may be requested to state what action they have taken with reference to this Department U.O. Note 662-1, dated the 31st -- January 1917. It would be convenient if they can forward to this Department a statement showing the newspapers, journals and other periodical publications they now subscribe for and the reduction which they have already made or propose to make with reference to that U.O. Note. The Hon'ble Sir Alexander Cardew is anxious to effect every possible economy in this direction.

3. I believe there are orders about the Wednesday Review. They are taken by govt. for purposes of postage. We cannot well discontinue their supply without taking further orders.

Q
3/5/18

For the Registrar.-

A list showing periodicals which have to be discontinued and the number of copies of which has to be reduced has been prepared and annexed to the revised draft order submitted. The list includes periodicals which have not been supplied owing to war, and those which have ceased publication on account of the war or otherwise.

2. As regards the Lawrence Asylum ~~Almanac~~ Almanac, the reduction of one copy suggested by the D.P.I. need not now be made in view of ^(the orders issued) G.O. No. 417, Home (Mis), dated 2-5-18. The reduction may, it is submitted, be effected in the number of copies to be supplied in 1919. This reduction was not taken into account in G.O. No. 312, Home (Mis), dated the 25th March 1918.

3. In regard to the "Wednesday Review", the D.P.I. suggests the discontinuance of two copies (p. 57 c.f.) In a file in the Home (Mis) section the question of the ^{reduction in the number of copies} ~~discontinuance~~ of the review is separately under consideration. As copies of the review are taken by the Govt. for purposes of --- patronage, it is not likely that the Govt. will agree to the reduction in their supply and in this view the Director's suggestion need not it is submitted, be acted upon.

p 21 c.f.

(Y)

(T)

It has been decided not to reduce the number of copies taken by Govt.
Feb. 27.5.18

4. The D.P.I. has not included in his list "Justice" the supply of which was sanctioned last year (G.O. 531, Home (Edn.), dated 26th April 1917). This is apparently due to oversight and in view of the fact that the Director wanted specially to have a copy of the paper, its supply need not be discontinued.

5. The Financial Department requires two statements one containing all the periodicals which are now subscribed for and another those which are to be discontinued. A consolidated list containing all the periodicals now supplied to the officers may be furnished to that department along with a copy of the order and the annexure thereto. A further list of newspapers will be furnished to that dept. on receipt from the officers who have yet to furnish information on the point.

6. Subject to orders on paras 2 and 3 above, the draft order submitted is for approval. It may be sent to Home (Mis) section for acceptance.
