THROUGH THE ACCOUNT-GENERAL, MADRAS.

Sir,

In connection with the scheme for starting Manual Training Centres at selected places, Mr. Fyfe, the Manual Training Instructor attached to the Inspector of European and Training Schools has submitted certain proposals which are under my consideration. Among his proposals, one is the appointment of an Assistant Manual Training teacher on a salary of Rs.90-10-140 (annual) at the European Special Classes Training Centre, Madras so as to leave him more time to attend to the organization, inspection and supervision

supervision of the proposed centres. The suggestion commends itself to me, and I have the honour accordingly to request the sanction of Government for the appointment referred to on the salary proposed with effect from 1st June 1918. The charge may be met from the lump provision of Rs.62,000 for opening Manual Training Centres made in the budget for 1918-19; and the necessary re-appropriation statement will be submitted on receipt of orders on this letter.

I have the honour to be,

Subject:- App't. of an assistant

The Scheme for the opening of manual training centres referred to in the opening sentence of the current letter is the one described in para 6 of the

Director's letter dated 10.2.81, d/ 15th Dec 1917. It is reported that certain proposals connected with the scheme have been formulated by Mr. Tyte, the manual training instructor attached to the Inspector of European and Training Schools and ^{they} ^(more) ~~are~~ ^{are} forwarded for the Director's consideration. For the meantime the Director proposes, ~~as~~ as a preliminary step, the employment of an asst. manual training teacher on Rs 90-10-140 ^(with effect from the 1st June 1918). The object is to secure more time for Mr. Tyte to attend to the organization, inspection and supervision of the proposed manual training centres. The proposal appears to be necessary and may be sanctioned.

ed. It may be noted in this connection that the period of engagement of Mr. Jaffer as well as of Mr. Porter is ^{Manual Training Instructor attached to the Teacher's College, Madras} five years to begin with and it would seem preferable to place the proposed Asst. Instructor also on a similar footing. On the other hand it may be said that with the gradual spread of facilities for manual training, the need for a permanent assistant will be found ^{necessary}. Apparently it is in this view that the Director does not suggest any limit of period for the appt.
