He has been appointed a sub inspector from 1st May 1918 and is posted to a division for practical training in anticipation of his exemption by Government. He will be sent to Vellore School in the coming sessions of October.

He is now 19 years old and has studied up to VIII standard (European high school examination). No qualified European candidates are forthcoming for appointments in the City and he appears to be a candidate above the average in ability. The usual application for exemption is enclosed.
