much obliged if arrangements could kindly be made with the authorities
concerned to make the services of Mr. S. Radhakrishnan available from

In reply to Government memorandum No.918A-2 dated the 6th May 1918 referring to me for remarks, letter No.2350 dated the 29th March 1918 from the Hon'ble the Resident in Mysore, forwarding a copy of letter from the Mysore Durbar asking for the loan of the services of Mr. S. Radhakrishnan, Professor of Philosophy, in the Rajahmundry College for a period of five years for employment as an additional Professor of Philosophy in the Maharajah's College Mysore on a net salary not exceeding Rs.500/- per mensem, I have the honour to state that there would be no audit objection to sanction being accorded by Government under Article 763 of the Civil Service Regulations to the transfer of the Officer's services to the Mysore State if it is in the public interest - Vide Article 762 (i).

2. As regards pay, however, the substantive pay of Mr. S. Radhakrishnan under Government is Rs.200/- per mensem only and

and as he is to be appointed to a post, the duties of which would be similar to those of the appointment he holds in British Office, he is entitled to receive, while in Foreign service, a pay of Rs.250-0-0 only per mensem under rule I of Article 764 of the Civil Service Regulations.

CNo. 1258A from the A.G. No. L.C.R. 2-2485 of 11.5.18.

Subject. - Loan of services of Mr. B. Rao Krishna-
Krishnan, Professor of Philosophy, Rajahmundry College, to the Mysore Darbar.

The A.G. has raised two points in connection with the proposed loan of services. The first is that ~~the~~ if the transfer of the officer's services is in the public interest, there is no ^{ride} objection - ~~under~~ art. 762 of the C.S.R. It is submitted that the transfer may be considered to be in the public interest. For a precedent please see G.O. no. 1030 of 20.9.15.

2. Secondly the A.G. points out that in view of the similarity of Mr. Rao Krishna's work both here and in Mysore, he can be given only Rs. 250 under rule I of art. 764 of the C.S.R. It is however submitted that Mr. Rao Krishna ^{(teaching B.A. (Hon) course students)} who is now only a College professor is to be appointed as Professor in the Mysore University ^{probably teaching Honors students also} and that his duties in the latter capacity ^{will be} more onerous than in the

(5)

para 2 page 879 of

page 7, of

It would therefore appear that the emolument should be regulated with reference to rule 11 art 764. The Director apparently ^{on this point} recommends the grant of a salary of Rs. 500 per mensem to Mr. Radhakrishnan while in foreign travel and the latter is not likely to accept anything less. It is submitted that the Director's recommendation may be accepted. ~~There is no objection to this recommendation.~~

~~15/5/48~~ Rs. 200 would not be a sufficient inducement for the officer to go to Mysore; & the Durbar are anxious to have him. ~~There~~ There will be difficulty in the nature of work that will fall to him at Mysore. We may support the increase of pay suggested by the D.P.D. under rule II of art. 764.

15/7/48

Mr. Radhakrishnan was as Professor of Philosophy in the Presidency College. When Prof. Subramania Iyer died, Prof. Chakravarti was brought in because he was senior & there was nothing against him to justify his being passed over.

Radhakrishnan is a brilliant student.

Expecting to be retained in Madras, he declined an offer from elsewhere on a previous occasion.

The duties of a University Professor are certainly more responsible than those of a lecturer in a College & I think that Rule II Art 764 C.S.R. applies. Rs 500 a month is by no means an overpayment for an University Professor. D.P. I recommend this. I am for sanctioning the D.D.'s recommendation.

However, as I disagree with the A.G., to Financial for favour of remarks

The case comes under Art 764 II so far as the
rate of pay is concerned. Two objections need be
taken on that score. But I am by no means
certain that Art 762(ii) does not bar the transfer.
How is it "in the public interest" to permit a
brilliant member of the Madras Educ. Serv.
to go away to Mysore for four years at a
time when our Department is crying out for
more men. That is a point which the
Ministerial Dep't should consider. The transfer
of Mr. Chatterton to Mysore under circumstances
not dissimilar serious checked industrial
progress in Madras.

filled. In any case I should not propose his
being back to the P. C. as his senior
Mr. A. Chakravarti is held to have justified
his posting there.
