From

The Hon'ble Sir Stuart FRASER, K.C.S.I., C.I.E.,

Resident at Hyderabad.

To

The Chief Secretary to the
Government of Madras.

Dated Hyderabad Residency, the 9th May 1918.

Sir,

The Inspector of European Aided Schools under my control in the Hyderabad State represents that owing to the small number of pupils that appear for the Cambridge Local Examinations it is proposed to give up having Hyderabad as a centre, and suggests the desirability of having the above schools, which at present prepare pupils for the Cambridge Local Examinations, recognised by the Government of Madras in so far as to allow pupils to appear for the examinations of the European Schools in the Madras Presidency.

2. The local Middle and High School examinations are satisfactory but they are not well adapted for European Schools, and it is necessary that pupils in European Schools should have the opportunity of gaining some recognised certificate, as such certificates are useful when employment is sought.

3. I have the honour to request that, with the permission of the Governor in Council, you will be so good as to arrange

for

for the European Aided Schools under my control to be recognised
by the Madras Government.

Sir,

I have the honour to return Government Endorsement No. 1027 B-1, Home (Education) dated 15th May 1918 on the letter from the Honourable the Resident at Hyderabad requesting the recognition by the Madras Government of the European Aided Schools under his control in the Hyderabad State. The effect of the recognition if granted will be limited to making it possible for pupils of the Schools to appear for our Examinations under the

The Resident's request is that the European aided schools in the Hyderabad State may be recognised by the Govt. so far as to allow pupils of those schools to appear for the examinations of the European schools in this Presidency. The S.P.D. recommends the acceptance of the Resident's request.

2. The examinations are conducted under arts. 90, 95 and 97 of the Code of Regulations for European schools. The examinations under arts 95 & 97 are by written papers while those under art. 90 are conducted in situ. It is not known how the S.P.D. will arrange to conduct the examinations of the Hyderabad schools in the latter case. Perhaps he may be requested to offer his remarks on this point.

There is no question of the examination under art. 90. To make this clear the notification I suggest in the draft will suffice.

Code of Regulations for European Schools and to obtain certificates if they pass them. The only serious objection to granting it is the considerable proportion of non-Europeans admitted to these Schools. This is excused on the ground that the circumstances of Hyderabad are unique - meaning I presume that well-to-do Muhammadan families prefer for various reasons to send their children to European Schools. I do not however attach much weight to this objection as the limitation of the number of non-Europeans in European Schools has reference mainly to Grants-in-Aid which are not in this case in question. I beg therefore to recommend the request of the Resident for acceptance.
