Extracts from the resolutions passed at the 12th Godavari District Conference held at Razole on 26th, 27th and 28th May 1918, under the presidency of the Honourable B. Venkatapathiraju Garu, B.A., B.L., High Court Vakil, Vizagapatam:--

INDUSTRIES.

IX. This Conference resolves (i) that Government be pleased to afford facilities for the establishment of factories for extraction of oil from oil seeds, manufacture of paper, cement, best sort of tiles and bricks, pencils, candles, etc., for which the required materials are mostly available in the district. (ii) that, Messrs. Tata and Co., Bombay, be requested to establish a branch in the Razole Taluk for the extraction of coconut-oil and for development of coir industry, as on the Malabar coast.

(iii) that it is essential that Government should advance funds for development of silk weaving in the Bhadrachalam division as a home industry.

EDUCATION.

XVIII. This Conference resolves to request, (i) that steps be taken for introduction of free compulsory primary education in the district, (ii) that university examinations be held hereafter in December and January, instead of in summer months in consideration of the health of the students of this country, (iii) that the study of one of the vernaculars or sanscrit be made compulsory in all schools and colleges except for the B.A. Honours Course, (iv) that the pay of the teachers of the elementary schools should not be less than Rs. 15 per mensem, (v) that the already sanctioned mechanical engineering school, be established at Cocanada as early as practicable, (vi) that educational authorities and teachers do take active steps for the establishment of boy-scout societies and that students be encouraged to join them in large numbers, (vii) that conference considers it necessary (a) that as the education now imparted in the colleges under state control is not of much advantage to the country at large, a national college should be established either at Rajahmundry or Cocanada, and that as many national schools as possible be established in villages, (b) that schools be established at least one for each taluk for teaching industrial and fine arts.

Razole,
28-5-18.

B. Venkatapathiraju,
President.

ANDHRA MOVEMENT.

XV(a). This Conference resolves to re-iterate its opinion that a separate province is necessary for the advancement of the Andhras and enters its emphatic protest against the action of the Madras provincial congress committees in attempting to affiliate the district congress committees of Chittoor, Anantapur, and Bellary to that committee, instead of their being affiliated to the newly created Andhra congress committee, sanctioned by the last Indian National Congress, (b) This Conference

Resolution No. XVIII has already been received in H.M.C. (Rev.). It has been recorded after perusal by H.E.

resolves to request Government to take steps for the early establishment of a separate university for the Andhras.
