18 JUL 1918

Reference to G.O., No.557 Home Education Department dated 29th April 1918 declining to grant exemption of S. Sundaralinga Iyer a clerk of this office to appear for the --- Account Test, I have the honor to make the following report:--

2. The Government order was placed before the council. The Council resolved by a majority that the Government should be addressed to kindly re-consider their order as the qualifications of this individual were in no way inferior to those of the individuals whose exemption had been previously sanctioned and as the passing of the Account Test will enable the individual to be more useful in the discharge of municipal work. One of the councillors dissented from this resolution on the ground that -

that the exemption of a Brahmin candidate was not necessary in the interests of the municipality. Steps have already been --- taken in this municipality to reduce the preponderance of the brahmin subordinates by appointing the available non-brahmins for all the posts for which they were qualified. It is not easy to understand how the exemption of a brahmin candidate already in service will affect the proportion of the brahmins and the non-brahmins in this municipality.

3. This applicant for exemption has put in more than seven years service and has given satisfaction in all the branches of work to which he was posted from time to time.

4. I request that the Government will be pleased to - favourably consider the resolution of the council, a copy of which is herewith submitted.

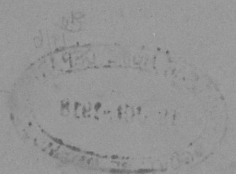

I have the honor to be,

Sir,

Your most obedient servant,

V. Suman
Chairman. 19 6 19

No. 499.

Read G.O., No. 557 Educational dated 29-4-18 declining to
grant exemption from Educational qualifications to S. Sundara-
linga Iyer for appearing for Account Test Examination.

The Government will be addressed to kindly reconsider
the order refusing to grant exemption on this case as the quali-
fications of this individual are in no way inferior to those of
the individuals whose exemption had been previously sanctioned
and as the passing of the Account Test will enable the indivi-
dual to be more useful in the discharge of municipal work.

M.R. Ry. L.K. Tulasiram Avargal dissenting on the ground
that the exemption of a brahmin candidate is not necessary in
the interests of the municipality which is already over-crowded
with Brahmins.
