The Private Secretary,

TO HIS EXCELLENCY THE GOVERNOR OF MADRAS,

OOTACAMUND.

Sir,

As President of a Public Meeting of the townsmen of Rajahmundry held in the local Town Hall on 29th June, where the following Resolutions were passed, I request you will be pleased to bring the same to the notice of His Excellency for his gracious consideration and necessary action.---

1. This public meeting of the townsmen of Rajahmundry, including the guardians of students, places on record its emphatic protest against the way in which the S.S.L.C. Examination is at present conducted and expresses its grave apprehension at the growing and abnormal failures therein and considers that the examination should be made lighter and the percentage of passes enhanced by the adoption of the following amongst other measures-

(a) the introduction of the compartmental system for A & C Groups for all students;

(b) the reduction of the required minimum marks to -- 35 per cent or Presidency Average in English and one of the C Group subjects and to 33 per cent or Presidency Average in the other A & C Group subjects;

(c) declaring eligible for admission into Intermediate all School Final candidates who failed this year by just -- one mark in any subject and showed a good record in other subjects;

and (d) the introduction of a large element of High School Teachers into S.S.L.C. Board.

11. (a) This meeting strongly protests against the action of the authorities of the local Government Model School in reducing the number of divisions in School Final from 3 to 2 and restricting the seats in each division to a maximum limit of 25 in each division though the maximum strength hitherto was 40 per

each division and sending away about 70 of its own students in the School Final Class.

(b) This meeting appeals to the Government to interfere in the matter immediately and raise the number of divisions and seats to its former strength and position, providing accomodation for at least 120 students in the VI Form in the Government Model -- School.

iii. This meeting urges upon the Municipal Council of Rajahmundry to immediately open VI Form in the Municipal School and make provision for more C Group subjects.

iv. This meeting protests against the unprecedented action of the Inspector of Schools, 1st Circle, in revising the results of the various classes and forms within his Jurisdiction.

I beg to remain,

Sir,

Your most obedient servant
