ORDER.-

The Rajahmundry municipal council requests that the following grants may be given to it for educational purposes

- (i) a non-recurring grant towards the construction of tiled sheds for the secondary school Rs. 500
- (ii) a non-recurring grant towards the cost of equipment and apparatus for the secondary school 1,500
- (iii) a grant of Rs.1,200 for 1917-18 and a similar grant for 1918-19 towards the maintenance of the secondary school 2,200
- (iv) an additional recurring grant towards the maintenance of the elementary schools. 1,430

5,630

(2) The Government are not prepared to sanction any grant towards the construction of tiled sheds. Nor are they prepared to allow the Council to draw the grant of Rs.1,200 per year sanctioned in G.O. No. 752

but withheld in G.O.No.1471 M, dated 29th August 1917 as the school was self-supporting in 1917-18 and it is not shown that there will be a deficit on its working in 1918-19. As regards the maintenance of elementary schools the Government are already paying a recurring subsidy of Rs.4,070 and see no reasons, considering the proportion of the educational expenditure to the income of the Council to increase this further. Orders will issue in the Home (Education) Department sanctioning a grant of Rs.1,500/- to the Council towards the cost of the equipment and apparatus required for the secondary school.

ORDER. No. 1066 dated 13/9/17

2. In regard to the number and pay of the teachers for the secondary school the Council is advised to adopt the scale recommended by the Director of Public Instruction in his letter read above.
