President, District Board, South Arcot.

To

The Director of Public Instruction,

Madras.

Sir,

With reference to your letter No. 2339 dated

3-4-1918, to Government, I have the honour to state that the Educational Subsidy of Rs.4,400 sanctioned in G.O.No.123-Educational, dated 28-1-1914 for the payment of extra capitation allowance for the teachers in the Elementary Schools, was distributed among the four Taluk Boards as noted in the margin(a*) on the recommendation of the Assistant Inspector of Schools in his letter No.418 dated 9-3-1914(copy enclosed). The subsidy of Rs.6,168 sanctioned in G.O.No.26-Home (Education) dated 6-1-1917 was distributed to the Taluk Boards as shown in the margin (b*) as per their application for the grant in compliance with your letter No. 4562 dated 8-6-1916. The President, Taluk Board, Cuddalore represented to me that the allotment under "Capitation Allowance" made for the Taluk Board was not sufficient to meet the requirements and requested for a redistribution of the amount. On a reference from this Office the Assistant Inspector of Schools in his letter

No.1241/17 dated 11-10-1917 (copy enclosed) suggested a redistribution of both the subsidies viz., Rs.4,400 and Rs.6,168 as shown in the margin(c*) as the original distribution was not equally made among the Taluk Boards and this redistribution was accordingly carried out. In these circumstances the subsidy allotted to the Chidambaram Taluk Board in previous years came to be reduced in 1917-18.

2. In his letter No.2405-T.B. of 1917 dated 19-11-1917 (copy enclosed) the President, Taluk Board, Chidambaram has explained the necessity for the additional grant and the Assistant Inspector of Schools in his letters No.845-M/16 dated 16-10-1917 and 945-M/16, dated 5-12-1917 (copies enclosed) has supported the request of the Taluk Board in regard to the additional grant under "Capitation Allowance". In these circumstances, I request that you will be good enough to move the Government for sanctioning an additional grant of Rs.1,300 for capitation allowance for the Chidambaram Taluk-Board.

I have the honour to be,

Sir,

Your most obedient servant,

For President, District Board.

16 MAY 1918

Copy of a communication

From The Assistant Inspector of Schools, South Arcot,

To The President, District Board, South Arcot,

Dated 9-3-1914.

I.
No. 418/S.

Adverting to your No. D.D.125/D.B. of 1914 dated 26-2-1914, I have the honour to give under the subsidy required for each Taluk Board as indicated in the G.O. under reference. Extra -- amount due to enlargement of the list of backward class:-

Cuddalore	Chidambaram	Tirukoilur	Tindivanam
--	Rs.514	Rs.220	Rs.220 = Rs.1,983.
			<i>1249</i>
Rs.558	For Schools having standards higher than the 4th:-		
	Rs.620	Rs.589	Rs.650 = Rs.2,417.
			Total ... Rs.4,400.

The amount of Rs.2,417 is to be distributed proportionately to the 78 upper primary schools in the district. The number of such schools under each Taluk Board are given infra.

Cuddalore	18.
Chidambaram	20.
Tirukoilur	19.
Tindivanam	21.
	<u>78.</u>

The amount required for girls' schools in the district is nil.

The Sub Assistant Inspectors will be requested to forward bills proportionately to the number of upper primary schools under each after this distribution is approved by the District Board.

II.

Copy of a communication from the Assistant Inspector of Schools, South Arcot, No.1241-M/17. dated 11-10-1917 to the President, District Board, South Arcot:-

Adverting to your Ref.on G.R.No.188-D.B. of 1917 dated 2-10-1917, forwarding for my remarks the distribution statement of the subsidy sanctioning in G.O.No.1104 dated 29-8-1917, I have the honour to urge the following objection regarding capitation allowance:-

The amounts sanctioned in G.O.Nos.123-Educational, dated 28-1-1914 and 26-Home(Educational) dated 6-1-1917, have not been equally distributed among the four Taluk Boards and especially the Cuddalore Taluk Board has been totally omitted in the distribution of Rs.6,168, with the result that there is no uniformity in the payment of capitation allowance to the teachers which causes much heart-burning among them.

I have therefore the honour to propose that the amounts be equally distributed, among all the Taluk Boards viz., Rs.1100/-

and Rs.1,542 respectively. The Taluk Boards concerned will have to make their own arrangements for the remaining amount that may be required for payment of capitation allowance in full. The favour of an early reply is requested.

III.

Copy of a communication from the President, Taluk Board, Chidambaram No.2405/T.B. of 1916 dated 19-11-1917 to the President, District Board, S.Arcot.

With reference to your letter R.C.No.97/D.B. of 1917 dated 26-10-1917, I have the honour to state as follows:-

The Assistant Inspector of Schools, South Arcot states in his letter R.C.No.945/M. of 1916 dated 16-10-1917 that the amount required for maintaining the elementary schools excluding capitation allowance comes to Rs.9,729 and that this is almost the amount allotted to this Taluk Board from Provincial Funds. The amount actually allotted to this Taluk Board for the purpose is noted in the margin* which amounts only to Rs.8,134. The Assistant Inspector of Schools simply says that the Taluk Board gets Rs.9,729 for maintaining new schools but he does not give particulars for Rs.9,729. If he still disagrees with me, he may kindly be required to furnish particulars for his calculation.

1. The cost of maintenance of Schools opened in	1911--12 and 1912-13...	Rs. 5,470.
2. do.	1913--14	420.
3. do.	1914--15	852.
4. Cost of additional teaching staff sanctioned in G.O.No.832-Edl., dated 8-9-1913 and 942-Edl., dated 11-8-1914 (Out of contribution of Rs.2,670 sanctioned for the purpose, Rs.1392 alone is spent for new schools, Rs.1278 being spent for old -- schools.		1,392.
Total...Rs. 8,134.		

In your revised distribution of Government grant, the amount allotted for capitation allowance has been reduced by Rs.1,237. Hence I am forced to apply for more additional grant from Government. The necessary revised letter to Government is enclosed which may kindly be submitted after obtaining the opinion of the Assistant Inspector of Schools on the subject.

IV.

Copy of letter No.945-M/16 dated 16-10-1917 from the Assistant Inspector of Schools, South Arcot to the President, Dt. Bd., South Arcot.

Adverting to your Cur.No.97-D.B. of 1917 dated 12-10-1917, forwarding for my remarks the letter of the President, Taluk Board Chidambaram, requesting an additional grant of Rs.1,500 from Provincial Funds towards the maintenance of newly opened elementary schools, herewith returned, I have the honour to state that from a perusal of the papers it appears that the amount required for maintenance of elementary schools, excluding capitation allowance comes to Rs.9,729 which is almost the amount allotted to this Taluk Board from Provincial Funds towards the maintenance of new schools.

2. It is therefore clear that the President, Taluk Board, Chidambaram requires an additional recurring grant of Rs.1,500 under "Capitation Allowance". In this connection, I have the honour to invite your kind attention to the concluding portion of para 1 of the letter of the Director of Public Instruction read in G.O.No.646-L.Mis., dated 27-4-1917 and communicated with your D.Dis.204-D.B. of 1917 dated 5-7-1917 wherein it is stated that the whole question of Capitation allowance is under consideration.

3. I have the honour to inform you that the President, Taluk Board, Chidambaram, may be requested to address Government for an extra grant of Rs.1,500 under "Capitation Allowance" for this year alone.

V.

Copy of letter No.945-M/16 dated 5-12-1917 from the Assistant Inspector of Schools, South Arcot, to the President, District Board, South Arcot.

In reference to your Cur.No.97/D.B. of 1917 dated 28-11-1917, I have the honour to refer you to this office letter R.O.C.945-M/16 dated 16-10-1917 and to state that I have still of opinion that the Chidambaram Taluk Board gets provincial grants sufficient for the requirements of new schools excluding capitation allowance.

2. I agree with the President, Taluk Board Chidambaram in the details furnished except item No.4. It is to be presumed that all recurring grants from Government unless specially stated otherwise are intended for the maintenance etc., of the new schools alone. I am therefore, of opinion that the grant of Rs.2670 sanctioned in G.O.No.832-Educational, dated 8-9-1913 and G.O.No.942-Edl., dated 11-8-1914 are exclusively for new schools alone as already expressed by my predecessor in office in paragraph 2 of this office R.O.C.945-M/16 dated 22-2-1917.

3. I admit that recommendation might have been made from this office for providing additional establishment to old schools but the Taluk Board might have refused if their finances did not permit of such additional expenditure or the Taluk Board could have informed this office that the recurring grant would have to be utilized for the purpose and so far as I am aware of, there appears to be no such reference made.

I am therefore unable to support the resolution in so far as it relates to the recurring grant of Rs.1400 but at the same time I fully support their request regarding capitation allowance.

5. The letter of the Taluk Board President dated 19-11-1917 is herewith returned.
