SENATE HOUSE, 5 - FEB 1918

Enclosures.

FROM

FRANCIS DEWSBURY, Esq., B.A., LL.B.,

Registrar, University of Madras,

To

The Secretary to Government,

Home (Education) Department.

Sir,

The Superintendent, Government Press, is authorised, under G.O. No. 126, Educational dated the 16th March 1910, to supply gratis to the Madras University Library copies of all Government Publications which the Library Committee may apply for. In accordance with the above Government Order, that officer was requested in 1916 to supply certain publications and to register the Library for any subsequent issues in continuation of them: the former request was complied with, while as regards the latter the Superintendent pointed out that he was not authorised to include the University Library in the regular distribution lists.

I am accordingly directed by the Syndicate to request that the Government will be pleased to authorise the Superintendent, Government Press, to include the University Library in the regular distribution lists for such publications as the Library Committee may apply for.

I am to add that the several Departments of the Government of India have included the Library in their regular distribution lists.

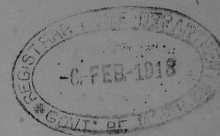

I have the honour to be,

Sir,

Your most obedient servant,

Francis Dewsbury

No. 2461

SENATE HOUSE, 5 - APR 1918

Enclosures. 2

FROM

FRANCIS DEWSBURY, ESQ., B.A., LL.B.,

Registrar, University of Madras,

TO

The Secretary to Government,
Home (Education) Department.

Sir,

With reference to your Memorandum No. 273.B-2, dated the 18th March last, I have the honour to forward herewith for the information of Government two lists of Government Publications, the first containing those regularly received in the Madras University Library, and the second those recently acquired for the Library. The Library Committee does not desire to accumulate Government Publications so long as the University Library is housed in the Connemara Library buildings as the limitations of space are keenly felt by both Libraries. At the same time the Library Committee does not desire to discontinue the supply of those publications in List I which are now being regularly received.

As regards the publications referred to in List II, I have to state that they were acquired recently as per G.O. No. 126 Mis., Educational, dated 16th March 1910, for the use of Dr. Gilbert Slater, University Professor of Indian Economics and they are temporarily deposited with him. He desires to receive them regularly, and to enable this to be done the Superintendent, Government Press, requires the sanction of Government which was asked for in my letter No. 916 dated the 5th February last.

I have accordingly to request that the Government will be pleased to include the University Library in the regular distribution lists of the publications referred to in List No. II and to authorise the Superintendent, Government Press, to supply regularly

any other publication the Library Committee may apply for.

I have the honour to be,

Sir,

Your most obedient servant,

Francis Dushinsky
Registrar.
