Station Madras, Dated the 8th June 1918.

From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.H.S.,
C.I.E.

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,
The Chairman, Municipal Council, Kurnool, has applied
to me for a provincial subsidy of Rs800 for filling up
the pits in the site acquired for use as play ground for
the Municipal High school out of the grant of Rs2,000
sanctioned in G.O.No.47 Educational dated 15th January 1915.
It is reported that the ground will have to be levelled up
before it can be made use of by the boys of the school and
that the Municipality is not in a position owing to its
limited resources to incur the expenditure from its own
funds. I have the honour to support the Chairman's request
and to suggest that the amount, viz. Rs800, may be included
in the statement of net cost of the school furnished by
the Chairman to the Director. Should this, however, be
considered

Lt. M. Depu

considered objectionable in the face of G.O.No.679 L, dated 8th May 1916 the charge may be met out of the allotment of Rs10,000 for non-recurring expenditure included in the total provision for subsidies in the current year's budget.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction.

C No. 1501 A from the D. I. no. 4021 of 10.6.18.

Subject. - Payment of a subsidy of Rs. 800 for levelling up the pits in the playground acquired for the Municipal High School, Kurnool.

It is not stated whether the entire subsidy of Rs. 2,000 sanctioned in Lys no. 47 of 15.1.15 has been spent on the acquisition of land or whether there is any balance left. It is ^{maybe} presumed that the full amount has been expended.

2. The Municipal Council appears to be in an impecunious condition - please see notes on pages 8 to 10 of Lys no. 1451 of 17.11.17. ~~The proposal for the proposal of a subsidy has been therefore passed by the Council and by the Govt. It is therefore submitted that the Govt. may agree to ^{bear} the cost of levelling up the pits from Provincial revenues.~~

3. Two methods are suggested by the Directors for the payment of this subsidy - inclusion in the ^{of the amount} next cost of the school or the grant of a separate ^{subsidy} ~~cost~~. Submitted that the latter appears preferable.

4. The file may now be sent to Lys and Financial for remarks.

The subsidy may be saved, we cannot well ^{now} raise the question whether the ground should be the
