The G.O. has issued.

2. In another file relating to the military training of certain officers the D.P.D. noted as follows regarding Mr. Barker: -

"I do not think it makes much difference when Mr. Barker goes. I believe the P.W.D. can find an officer, but it would be convenient to have as much notice as possible."

The Director will presumably apply to the P.W.D. for an officer to act as Professor of Civil Engineering in Mr. Barker's place. Submitted that the file may be sent to the P.W.D. for perusal and return, as it seems desirable to inform them of the fact beforehand.
