The Director of Public Instruction submits a Drawing bearing D.P.I. No. 27-E/1918 and a detailed estimate amounting to Rs. 11,000/- for improvements to the building occupied by the Atkinson English Day School at Bezwada, Kistna District.

II. The Drawing and the estimate have been scrutinized in the Chief Engineer's office, and the sizes of some of the roof timbers altered as shewn in green ink. The total amount of the estimate has been reduced from Rs. 11,000 to Rs. 10,600 by these alterations.

III. The details of the masonry spiral stair are not shewn on the Drawing. The Superintending Engineer should satisfy himself that the stair is properly constructed, that the existing structure is strong enough to carry a two-storied verandah and that the roof timbers of the existing verandah in the ground floor which are proposed to be utilized for the verandah of the first floor are suitable.

IV. With these remarks, the drawing and the estimate, as altered in the Chief Engineer's office, amounting to Rs. 10,600/- are recommended for approval.

IV. With reference to the cross section shown on tracing D.P.I. 27 E/18 the slope of the verandah roof may be in continuation of that of the main roof. This has been shown in the section.

V. The scale on which the drawings have been prepared is inconvenient, (being 6" = 1"). The D.P.I.'s attention may be invited to scales specified in Cir. No. 116. D. S. 4/1/1913
