O o t y.

Sir,

Adverting to Government telegram No.318, dated 3rd August 1918, I have the honour to report that the scholar should be at Glasgow before 20th September 1918 so as to be in time.

2. The Accountant-General, Madras, states that he received intimation from the Accountant-General, Bombay, that no steamer will be available till the third week of September 1918 and that no second class accommodation will be available even then by the steamer sailing about that date. He further stated that Government were addressed by wire for orders as to whether a first class passage should be engaged for the scholar. I have since received information from the Tahsildar, Bezwada, that the scholar should be at Glasgow by the 20th of September 1918. I

have therefore asked the Accountant-General, Madras if it is not possible for him to provide the scholar with a passage to England via Colombo if no steamers are available at Bombay. His reply is awaited.

Under the above circumstances a passport to travel via Marseilles is necessary as otherwise he cannot reach Glasgow in time.

I have the honour to be,

Sir,

Your most obedient Servant,

Munamihadev

THE SECRETARY TO THE GOVERNMENT OF MADRAS.

Home Department.

SIR,

With reference to your telegrams Nos. 350 and 352, dated the 12th and 13th August respectively, I have the honour to report that there is a Japanese steamer sailing on the 28th instant from Colombo to Liverpool via the Cape, which the scholar would perhaps have time to catch, but it would appear that there is no passenger boat leaving Colombo or Bombay that would arrive in England in time for the State scholar to reach Glasgow before the 20th of September. I understand that none of the homeward bound mail steamers for the next three months will have any passenger accommodation at all.

Messrs Binny & Co., report that the steamers from Bombay are either cargo steamers or will probably not take ordinary passengers, and that the next passenger sailing from Madras homewards is unfixed. As the condition that the scholar should reach Glasgow before the 20th

September

September cannot be complied with, I would request the favour of early orders by wire as to whether an attempt should be made to secure a berth in the Japanese steamer leaving Colombo about August 28th. A berth in this steamer would have to be booked through the Colombo branch of Messrs Thos. Cook & Son, their telegraphic address being "Coupon Colombo."

I have the honour to be,
Sir,

Letter No.P.28-1631 dated the 20th August 1918, from the Accountant-General, Bombay, to the Accountant-General, Madras.

Subject--Passage of State Scholar Dakshinamurti.

In continuation of this office letter No.P.28-1261 dated the 17th July 1918, I have the honour to state that this office has engaged for the State Scholars for the United Provinces, the Second Class passages by the Steamers of the Nipon Yusen Kaisha sailing via Colombo. It has been further ascertained that S.S. "Sado Maru" will be sailing from Colombo by the 3rd of September 1918, It will be therefore open to you to engage a passage for Mr. Dakshinamurti by that Steamer as the two scholars (one from United Provinces and the other from the Punjab) will probably sail by that steamer.

A copy of a letter No.690 dated the 12th August 1918 from the Government of India Department of Education to the address of the Punjab Government is enclosed for your information.

Letter No.690 dated the 12th August 1918 from the Secretary to the Government of India, Department of Education, Simla, to the Under Secretary to Government, Punjab Home (Education) Department.

With reference to your letter No.194 S, dated the 5th August 1918, I am to state that the Government of India understand that there will be a boat of the Nipon Yusen Kaisha line sailing from Colombo for England before the end of September next and that, before considering the Local Government's request for sanction to the engagement of a first class passage for S.Dogar Singh, a State technical Scholar, by the "S.S.Japan", they suggest that endeavours might be made to secure a second class passage for him by this line.

Subject. Passage for S. Dakshinamurti who has been awarded a special scholarship.

Candidates who are awarded State Scholarships are ordinarily provided with a second-class passage to England. Following this practice the A.G. was requested to provide S. Dakshinamurti, who has been awarded a special scholarship, with a second-class passage. The A.G. reports that no steamer is available till the third week of September and that even then no second class accommodation is available. Last year ~~when~~ first class passage by express train ^(from Karachi to London) had to be given to ~~the first class candidate to London~~ certain State scholars & the sanction of the Govt of India was obtained for it.
