LOCAL AND MUNICIPAL (LEGISLATIVE) DEPARTMENT.

Home (Education) and Local and Municipal Departments.

The Hon'ble Lieut. K. K. R. Kavalappara Muppil Nayar.

120 Q.—(a) With reference to the recent Government Order sanctioning 18 new high schools for the Presidency, will Government be pleased to state whether the allocation of the schools has been settled, and, ~~if so~~, whether any new high schools have been allowed for Malabar and South Kanara, and in what places in these districts?

(b) ~~In view of the special importance of education as a check to lawlessness and crime, will Government be pleased to order one of these high schools to be located at Manjeri, the head-quarter of the Ernad taluk, which has been conspicuous in the past for Mappilla outbreaks and crimes?~~

[Meeting of the 12th August 1918]

Home (284) 20/11/18.

Clause (a).

- ① The G.O. referred to is No. 757 Home (284) 20/11/18, under which the allocation of the high schools has been settled and Malabar and South Kanara have each a high school - vide annexure on page 8 of the G.O. The Addl. Member has not apparently seen the G.O. which has been placed on E.T. His attention may be invited to it.

2. Clause (b).

In Ernad taluk, the mappilla centre there is an incomplete secondary school at Manjeri itself and another Complete secondary school at Angadipuram; the latter was raised to the status of a complete secondary school only in 1917 - vide G.O. No. 1205 Dms & 22-8-17. The Govt. are paying a subsidy towards the maintenance of the school - vide G.O. 1154 Dms & 7-9-17. Seeing that the selection of centres for the new high schools was made by the S.P.S. in consultation not only with the inspecting officers but also the presidents of district boards and chairmen of municipal Councils, it may be assumed that a secondary school at Manjeri was not considered necessary by them and consequently the S.P.S. did not propose one for that place. As the allocation of the new high schools has already been settled it is not possible

This is in Walluvanad taluk
