LOCAL AND MUNICIPAL (LEGISLATIVE) DEPARTMENT.

Home (Education) Department.

The Hon'ble Mr. A. S. Krishna Rao Pantulu.

196 Q.—(a) Is it a fact that there has been no revision of pay of clerks of Inspectors of Schools for several years, except in the case of clerks of the lowest grade?

(b) Have any proposals been made to the Government for raising the pay of those clerks, in view of the present conditions?

(c) Will the Government be pleased to consider the desirability of revising their scale at an early date?

[Meeting of the 13th August 1918]

Home (Education) Department.

The pay of the fourth clerk in the office of the Inspector of Schools, IV Circle ^(Madras) was raised from Rs.15-1-20

Ⓓ to Rs.20-1-25 vide G.O.No.598, dated the 15th August 1908.

Since then there has been no modification of the ^{general} scale

except in the office of the Inspector of European and Training Schools and the addition of a few appointments on the lowest grade - vide, for instance, G.O.No.545, Educa-

Ⓔ tional, dated the 10th June 1913. In the scheme for the re-organization of the ~~inspect~~ inspecting agency also, the D.P.I. has not proposed any revision of the scale of pay of the clerks, though it is proposed therein to increase their number from 107 to 212 - vide the proposition statement at Ⓔ. The D.P.I.'s proposal to include the head clerks of Inspectors' offices in the last grade of Deputy Inspectors (Rs.50) to be newly created has not been accepted by Government - vide page 39 of notes flagged Ⓔ. Clause (a) of the question is thus substantially correct.

3. No proposals have been received for a revision of the pay of the clerks as stated in clause (b).

3. The Government have recently sanctioned the payment of a war allowance at certain prescribed rates to all persons in their service drawing a salary of Rs.50 and below. Some of the low paid clerks get also grain compensation allowance. There is hardly any reason to treat the Inspectors' clerks differently from the other

clerks of the educational or other departments of Government. Further, if they had any exceptional grievance, they would have brought it to the notice of Government through the D.P.I.

4. The following draft answer is suggested:-

(a) No general revision has been made.
The pay of the clerks in the office of the Inspector of European and Training Schools was raised in 1914.

(b) No.

(c) The Government will give due consideration to any representations that may be made."

5. The file may be forwarded to the D.P.I. u.c. for remarks.
