The Hon'ble Mr. T. Ranga Achariyar.

96 Q.—With reference to the discussion on my resolution regarding appointment of instructors in physical training moved at the meeting of the Legislative Council on the 13th March 1917, and the assurance given by His Excellency the Governor as published at page 555, will the Government be pleased to state whether any and what steps have been taken to secure the services of competent instructors in physical training in schools and colleges and generally to give effect to the policy of extending physical education?

the discussion referred to by the Additional will be found on pages 10-14 of G.O. No. 31 of the 8.3.17 and the assurance given Govt. on that occasion was that they would not allow any consideration of money stand in the way of the development of physical training. Since then the following steps have been taken by the Govt. towards the attainment of that object:—

- (i) Mr. Noehren delivered a course of 12 lectures on physiology and hygiene to the L.T. students of the Teachers' College, Saidapet and another course of 10 lectures to the students of the Training College at Rajahmundry, the honorarium paid to him being Rs. 240 and Rs. 200, respectively.
- (ii) In August 1917 Mr. Noehren went on a tour to some of the larger educational centres in the Presidency, viz., Coimbatore, Calicut, Mangalore, Trichinopoly and

and Madura for the purpose of stimulating interest in and improving the methods of physical education by means of black-board lectures and practical demonstration of physical activities. Similar tours were also undertaken by him in January 1918 to Waltair, Vizagapatam, and Rajahmundry and it is expected that the practice of tours will be continued.

(iii) Six gymnastic instructors selected from large educational centres were trained under Mr. Noehren for a period of six weeks.

(iv) A Students' Club with a gymnasium attached thereto was opened in Madras and it is proposed to provide the gymnasium with apparatus at a cost of about Rs. 500.

(v) A model play-ground has also been opened at Tondiarpet, Madras, at a cost to Govt. of about Rs. 1,400.

(vi) The post of an assistant physical director on Rs. 150 a month ~~has been~~ created temporarily for a period of two years to help Mr. Noehren in organizing the centre.

(vii) Owing to the manifestly increased activities of Mr. Noehren necessitating the devotion of more time to the work of Govt. than he was bound to do under the original

agreement with the Y.M.C.A., the monthly grant to that institution was raised from Rs 230 to Rs 345 with effect from the 1st March 1918.

(viii). The post of physical training instructor for European schools was also made permanent.

2. In the Finance Committee of 1918 the same Addl. Member suggested that Mr. Noehren should be required to train up assistant physical instructors with a view to the appointment of at least two officers of that class. In view of the arrangements already referred to in clauses (iii) + (vi) of para. 1 above, no further action was considered immediately necessary.
