the training & pay of teachers.
The distribution of the
grant is as follows:—
A portion of the amount
reserved for the improvement
of the pay of teachers has
been utilized for the
increase of teachers' pay
in secondary & elementary
schools. In the case of
the former, it is about
Rs. 10 lakhs per annum.
In the case of the latter,
it is about Rs. 2 lakhs
per annum. The grant is
utilized for the purpose of
improving the pay of teachers
in the following manner:—
In the case of secondary
schools, the grant is used
for the purpose of increasing
the pay of teachers from
Rs. 10 to Rs. 15 per month.
In the case of elementary
schools, the grant is used
for the purpose of increasing
the pay of teachers from
Rs. 5 to Rs. 10 per month.
The grant is also used for
the purpose of providing
pension to retired teachers.
The grant is also used for
the purpose of providing
gratuity to teachers who
have been discharged from
service.

The Addl. member assumes that the Imperial grant of four lakhs was solely for the improvement of the pay of teachers. The grant was for the improvement of the training + pay of teachers. The distribution of the grant among the various objects is shown ^{in para. 60 of the} ~~Annual~~ Revised Financial Statement for the financial year ~~1917-18~~ ¹⁹¹⁸⁻¹⁹. A ~~good~~ portion of the amount reserved for the improvement of the pay of teachers ~~has been~~ ^{is} utilized for the increase of teaching grants ^(aided) in secondary + elementary schools ~~so that the pay of teachers in them may be improved.~~ In their case it cannot be stated what increase in pay has exactly been effected. As regards elementary schools ~~under the operation~~ under the management of Govt and local bodies the minimum pay
