LOCAL AND MUNICIPAL (LEGISLATIVE) DEPARTMENT.

Home (Education) Department.

The Hon'ble Mr. B. V. Narasimha Ayyar.

136. Q.—Will the Government be pleased to state

- (a) if, in pursuance of their recent decision to open more high schools, such institutions have been started in any place in which a high school run by private agency was already in existence; and, if so, in what places;
- (b) if the starting of a Government High School at Madanapalle where a National High School was already at work would not be an obvious case of undesirable rivalry; and
- (c) in case the Government agree in the above view, they would transfer their high school to any other suitable place which has applied for the opening of a high school within its limits?

[Meeting of the 13th August 1918]

That the following are the places where we report are open or where there have been schools

under private management

(1) Madanapalle.

(2) Udipi.

(3) Balur.

(4) Kattumannurkott.

Home (20th) Sept.

Examining the list of places for which new schools have been sanctioned with the list of secondary schools already in the Presidency, it is observed that the following are the places where new schools are to be opened but where there have been schools

under private management:

- (1) Madanāpalle.
- (2) Udipi^{*}
- (3) Palni[⊗]
- (4) Kattumannarkoil.

The schools at Madanāpalle & Palni are under the ^{National} ~~Provincial~~ ^{Board of Education} ~~Educational Trust~~ and as

such have lost their recognition. The new schools have therefore been ~~proposed~~ sanctioned for these places. At Udipi there is a Christian high school. There is also a middle school under the management of the local board. It has been decided to raise the latter to the status of a complete high school. Apparently there is scope for two schools in Udipi. At Kattumannarkoil it has been proposed to open a new middle

status of new school

middle school under local board management. It is, however, observed that there has been an ~~incomplete~~ ^{in that place} secondary school with classes up to the second form. The institution is known as Kattumannarkil Town School. It is not known whether it is now in existence. The D.P.I may be consulted as to whether the four places specified may be mentioned in the reply to the question.

2. As regards clauses (b) & (c) the following draft answer is suggested:—

"The high school maintained by the ^{National Board of Ed.} ~~Theosophical Educational Trust~~ at Madanapalle has ceased to be a recognised institution and the Govt have therefore sanctioned the opening of a new high school under the management of the District Board of Chittoor."

8K The file may be sent to the

we may perhaps give a general answer to the question as a whole to the effect that none of the new schools opened is in the position of undecisive rivalry to recognized schools in the respective localities. we may probably also give the four places with ref. to clause (a). we are not sure those are correct & whether there are other places in similar situation. The D.P.D will kindly verify with the latest information.

- (a) (b) the school has been started, or will be started, in a place where a new school of the same grade is already working.
- (b) we have no intention of starting a high school at Masanpalle. We have proposed to submit the District Board with a view to the starting of such a school. there is no question of rivalry because the National High School is not replicating as it goes the idea of recognition cannot supply the educational needs of Masanpalle.
