As a matter of fact I do to find as I can
not appoint Deluge to Deluge District.
Answering letter

(a), (b) (Other things being equal Deluge
will be appointed by preference to Deluge District

(b) is so vague that it is really impossible to answer.
The fact of so many Dams being employed
in the Deluge country is due more to the
fact Deluge indifference to education than to the
present want of Deluge qualified men
