The Hon'ble Mr. P. Siva Rao.

162 Q.—Is it a fact that the Government sanctioned a sum of Rs. 50,000 in the current year's budget for the construction of a building for the Municipal High School at Bellary? If so, will the Government be pleased to issue instructions forthwith to the Public Works Department to start the work?

[Meeting of the 13th August 1918]

Bellary. The question of a further contribution towards the construction of the building is lying over pending receipt of the D.P.L. proposals for the distribution of the sum of Rs. 1.07 lakhs provided in the current year's budget for building for secondary schools under local bodies. From the D.P.L. letter in this file, it will be seen that the plan is to construct a building for the purpose of a school. It is hoped that the Government will be pleased to sanction the same.

As regards the first part of the question, it is to be noted that the Government has sanctioned a sum of Rs. 50,000 for the construction of a building for the Municipal High School at Bellary.

Please see G.O. No 206 Int., dated the 19th March 1918 in which the Govt sanctioned a grant of Rs 50,000 for buildings for the Municipal high school, Bellary. The question of making a further contribution towards the construction of the building is lying over pending receipt of the D.P.L. proposals for the distribution of the sum of Rs 1.87 lacs provided in the current year's budget for buildings for secondary school under local body. From the D.P.L. letter in the linked file, it will be seen that the plans & estimates are under preparation and that the Chairman, Municipal Council is attending to the matter. The file may be sent to the Lt. Govt who will presumably reply to the question.

may be drawn to G.O. No. 206. Fund 819.3.18 which has been placed on the S.T. The A.M. is ~~wrong~~ apparently referring to this Rs. 50,000. There is no specific allotment for the Bellary school in the current year's budget.

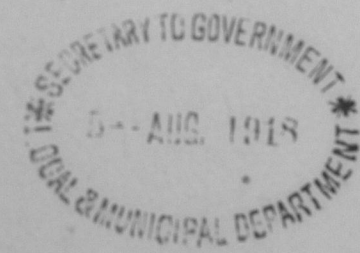

As regards the work itself we have no definite information. The original estimates were sent to the Council for revision. L.M. may be asked to furnish answers to this part of the question. The work cannot obviously be started until the plans & estimates have been approved.

Perhaps L.M. will take charge of the question. The money has evidently been already placed to the credit of the Municipality.
