Sir,

In submitting the enclosed file of correspondence
from the Chairman, Municipal Council, Gudiyattam, I have
the honour to invite attention to G.O.No.2054 M.MisQ.dated
29th November 1917 and to state that the Municipal Coun-
cil, Gudiyattam have now expressed their inability for
financial reasons to take over the Sultania Muhammadan
Girls' school, Dharnampet, under their management. In
the circumstances stated by the Chairman I recommend
that the subsidy applied for viz. Rs492 per annum for
recurring charges and Rs150 being the initial cost of
equipment may be sanctioned to the Municipality, the

charge

charge being met from the xx imperial recurring grant of 5.5 lakhs.

I request that early orders may be passed on the subject and that the enclosures may be returned when no longer required.

CM 1919 A. From the S.P.I., D.C. 2481 of 20/7/18
Subject. Subsidy to the Gudiyattam
 Municipal Council for the
 equipment + maintenance
 of girls' school.

The Chairman, Municipal
 Council, Gudiyattam, applies
 for a grant of Rs 150 for equip-
 ment and Rs 492 ^{per annum} for main-
 tenance charges of the
 Sultania Muhammadan
 girls' school which is to be
 taken ^{over} under municipal
 management. As the Council
 plead inability to meet the
 expenditure from its own
 funds, the S.P.I. recommends
 the payment of the grant.
Last year when the Council
 applied for sanction to
 take over the school, it
 stated that a portion of
 the cost of the school, viz, Rs 270
 might be met from the
 anticipated saving on account

he first agreed to the proposal
to take over the management
of the school on the understanding
that there would be no need
to sanction any fresh subsidy

for the purpose, the Council having de-
finitely reported that the amount
would be met from the savings
of grant sub? for and the school.

The financial position of the Council was ~~very~~ unsatisfactory till recently, as there was an average annual deficit of Rs 871 in its normal receipts during the three years ending with 1916-17, after meeting the recurring deficit under the water and drainage tax fund. The position improved, however, in 1917-18 when there was a

surplus of Rs 3,036 in its ordinary revenue over charges. The closing balance ~~under~~ under general funds in the Council's budget for the current year, as revised with reference to the actual opening balance of the year, is Rs 2,188 or 7.1 per cent of the estimated ordinary receipts. And this is due chiefly to the fact that the rate of the water and drainage tax has been [#]increased from 5 to 7 per cent to make that fund self-supporting and to relieve the burden on the general funds. But the Chairman ^(who is the Rev. Mr. W. J. W. J.) doubts whether the budget balance will be realized. The Council is not therefore very well off financially though its condition has improved since 1917-18.

2. The Thalayattham Muham-madan school reported to have been closed in 1916-17 does not appear to have been reopened. It is true that the Council proposed to meet Rs 270 ~~out~~ of the annual cost of maintaining the Sultania Muham-madan girls' school from the savings effected by the closure of the

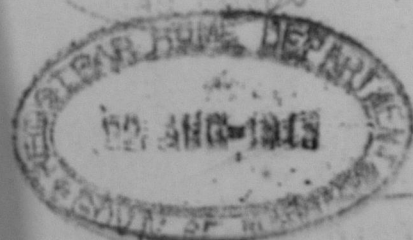

Thalayattam Muhammadan school.
But the net expenditure of this
Council on education after deducting
Provincial subsidy amounted in
1917-18 to 16.5 per cent of the receipts
from taxation against the average
of 8.3 per cent for the Presidency in
1916-17; and although provision has
been inserted by Govt. in the Council's
budget for the current year for the
Sultania Muhammadan girls school,
still in view of the slender resources
of the Council and of the large
expenditure already incurred by
it on education, it is subd. that it
may be given a subsidy from Prov.
funds for maintaining that school.
