28 Q.—~~In the interests of Muslim education,~~ Will the Government be pleased to appoint a Muhammadan as a Personal Assistant to the Director of Public Instruction to help and advise the Director on all matters affecting Muslim education?

[Meeting of the 13th August 1918]

possibility of an draft answer

Home (Education) Dept.

In connection with ^{certain} resolutions passed at the North Arcot district Muslim Educational Conference held in February last, the office noted as follows:-

"As regards the suggestion to appoint special Muslim inspectors and assistant inspectors, attention is solicited to para 7 on p.10 of the notes to "G.O. No.404-05, dated 10-5-12, where the views of "the Hon'ble Mr. Stone and his predecessor, Dr. "Bourne, are clearly set forth. For the reasons "explained therein there seems to be no need for the "appointment of Muhammadan Inspectors and assistant "inspectors for the present.

"The conference further urges that a Muslim "Personal Assistant be appointed in the office of the "D.P.I., to help and advise the Director in all "matters affecting muslim education. The ^{need} ~~necessity~~ "for a Muslim Personal assistant seems to be much "less obvious than that of an Inspector and the "Director will always be able to consult his "Muhammadan sub-assistants as well as the various "Muhammadan Educational Associations in important "matters concerning Muhammadan education".

2. Apparently the Additional Member desires that, in addition to the existing post, a new post of Personal Assistant should be created to be held by a Muhammadan. There appears to be no need for such a post at present. The following draft answer is suggested:-

"The Govt. ^{are unable} ~~are unable~~ to entertain the "suggestion ^{as they see no need for it at present.} ~~and the department is already assisted~~ "by a staff of Muhammadan Sub Assistant Inspectors

3 The D.P.I. may be consulted as to the suitability of the draft answer

NOTES.

It is certainly unfortunate that we have not now any capable Muhammadan in the office. The want might be supplied by bringing one of the Muhammadan A.C.S. in a superior clerical but there are so few qualified men that they are all wanted for inspection and teaching work. I am certainly not at present prepared to ask for a Muhammadan ^{Personal Assistant} ~~Secretary~~ but I cannot but feel that the Community has some ground of complaint. Perhaps for a right by that they are not at present advised to prepare to accept the Hon'ble's suggestion but that they will consider what can be done to strengthen the Muhammadan element in the P.P.I. office.
