LOCAL AND MUNICIPAL (LEGISLATIVE) DEPARTMENT.

The Hon'ble Mr. B. Venkatapati Raju.

131 Q.—Will the Government be pleased to state whether they would encourage the raising of second-grade colleges to first-grade colleges in places where there are no first-grade colleges at present, by offering such terms as are contemplated for the Kallikota College, Berhampur?

[Meeting of the 13th August 1918]

Home (Edu) Dept

The Kallikota College, Berhampur, is an aided institution and so far no proposal on the subject of raising its status has come before Govt. Recently a public meeting held at Berhampur protested against the elevation of the college to the first grade. As the Govt. had no information in the matter, no action was taken on the resolution ~~of the meeting~~. They have offered no terms of any kind to the authorities of the college for raising it to the first grade.

2. It is observed that the Asst. Member is an advocate of ~~the~~ a separate University for the Telugus and with that object in view is trying to raise as many second grade colleges as possible to the 1st grade and as many secondary schools as possible to the ~~first~~ ^{status} of second grade colleges. For this purpose he proposed to move a resolution at the ^{meeting} next Council recommending that the Govt. might afford the necessary facilities and funds to raise the Taylor High School

at Narasapur to a second grade College. It is however, disallowed by H.E. on the ground that it was not in the public interests.

3. The authorities of the Kallikota College have to satisfy first the University of Madras their ability to comply with the rules of affiliation given in part XVII of the University regulations and the University will then submit the application to Govt. for disposal. Till then the Govt. are not concerned in the matter. The policy of Govt. in regard to collegiate education is to rely on private efforts. If private managers are prepared to spend their share of the money on colleges, the Govt. do give their share. They will not be justified in holding out special hopes of encouragement to individual colleges or for particular localities. As regards the Asst. Member's question itself since the first part of it depends on the second and since the second is to be answered in the negative, it does not appear that the first part requires any specific reply. The following reply is suggested:—

- * The Govt. have offered no special encouragement to the Kallikota College, Berhampur; nor have they any information about the raising of the status of this or other colleges.

4. The file may be forwarded to the S.D.O. for remarks.
