The memorial referred to is in the linked file. The Muhammadan elementary school at Kellore has been raised to the higher elementary grade with the aid of a subsidy sanctioned by the Govt from the recurring Imperial grant of Rs 30,000 for Muhammadan education. The Muhammadans of Kellore request that this school should be raised to the secondary grade. Recently two new incomplete secondary schools were sanctioned for Muhammadans. The places selected for these are Kurnool & Guntur. The D.P. did not recommend Kellore for the location of the school. Apparently there are places more keenly in need of separate Muhammadan secondary schools than Kellore and Kellore will have its school after the other places have got it. The D.P. may be
