clause (i) of the question.

The secondary training class in the Govt Training School, Nellore, was opened last year. It was intended to admit 20 students in it. The number actually trained in the class was however 39. The retention of the class till the 1st July 1919 has been sanctioned in G.O. No. 630, dated the 16th May 1918. It is not known how many students have been admitted in the current year.

2. clauses (ii) tott of the question.

Presumably the Addl. member desires to have figures of admissions for the current year. As he refers to the Training School as a whole figures for secondary as well as for the elementary training ~~school~~ class in the school may be necessary. These figures are not available and it is doubtful whether they can be obtained in time for the ensuing meeting of the Council. Perhaps the Addl. member may be told.
