No. 4702/17

Station Madras, Dated the 15th August 191

From (Name) the Hon'ble Mr. J.H. Stone, M.A., F.R.H.S.,
C.I.E.,
(Designation) Director of Public Instruction,
MADRAS.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir, /Through the Accountant-General, Madras/.

The scale of staff sanctioned for the School of Engineering, Vizagapatam, in G. O. No.522 Home (Education) dated 23rd April 1918 as modified by G. O. No.845 Home (Education) dated 27th June 1918 consists of a Superintendent, one Instructor and two Assistant Instructors. Of the four members the first two only have been appointed. The Principal, College of Engineering, states, on a reference made to him, that there is no need to entertain the Assistant Instructors in the first year of working of the School but that it will be advisable to depute one of the teachers from

the local Government Training School to take up Mathematics for four hours a week. The Inspector of European and Training Schools who was consulted in the matter recommends that M.R.Ry.K. Narasimham, B.A., (First Class in Mathematics) L.T., Headmaster of the Government Training School, Vizagapatam, be deputed for the work and allowed a remuneration of Rs.25 per mensem. In view of the urgency of the matter I have arranged for instruction in Mathematics to be given accordingly with effect from the 15th instant in anticipation of the sanction of Government. I have now the honour to request that Government will be pleased to sanction the payment of an allowance of Rs.25 per mensem to M.R.Ry. K. Narasimham from 15th August 1918 until an Assistant Instructor qualified to teach the subject is employed in the Engineering School or until the closing of the School for the summer vacation, whichever is earlier.

2. The extra charge can be met from the lump provision of Rs.31000 for the opening of the School in the current year's budget.

I have the honour to be,

Sir,

Your most obedient Servant,

C. Narasimham
for Director of Public Instruction
