The Hon'ble Mr. B. Venkatapati Raju.

79 Q.—Will the Government be pleased to state whether the Government propose to take any and, if so, what action regarding the dissatisfaction caused to the public year after year by the results of the Intermediate examination?

[Meeting of the 18th August 1916]

Low percentage of successes in the Intermediate examination in recent years?

Home (Edu) Deptt.

Please see the notes recorded in G.O. No. 1551 Home (Edu) of the 14-12-17. Since 1915 the Additional Members of the Leg. Council brought to the notice of Govt. several times by means of interpellations in the Council the abnormal failures in the Intermediate examinations of the Madras University. On all those occasions the Govt. declined to move in the matter on the ground that neither under the Indian Universities Act 1904, nor under the regulations framed thereunder, they had power to dictate to the University in matters of that kind. The question was, however, examined by the University itself towards the end of 1916 and the introduction of the system of Compartmental examination

(E) Sanctioned in G.O. No. 157 Home (Edu) 8.10.2.17 was the result. This system has worked for two years now. The exact percentage of passes in the last Intermediate examination is not known. Even assuming that it was no better than its predecessors as alleged in the question it seems desirable that the University must be

he allowed a reasonable time for a trial of the compartmental system and for further modifications therein in the light of experience. If this view is concurred in the Asst. Member may answer, as in the past, that—

1. The Govt. do not propose to take any action in the matter.

2. The file may be forwarded to the D.P.O. and for remarks, if any.
