To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.  
/Through the Accountant-General, Madras/.

Sir,

The Inspectress of Girls' Schools, Southern Circle, reports that two additional standards have been opened in the Government Muhammadan Girls' School, Palghat, since it was first started in 1912 and that accordingly the scale of staff originally sanctioned, viz., 3 teachers on Rs.20, 15 and 12 is not adequate enough for a school which

has a total strength of 100 as detailed in the margin. It is stated that the figures given represent the strength immediately after promotion and that the strength of the I Standard

will rise in the course of the year to about 30. She therefore requests that in accordance with Rule 81 of the Madras Educational Rules an ~~an~~ additional teacher may be sanctioned for the school. In these circumstances I have the honour to request that Government will be pleased to sanction the employment of an additional teacher on Rs.25 per mensem temporarily for a year from 1st October 1918.

The pay is necessary in view of the employment of a qualified mistress for the charge of the V and VI Standards.

2. The extra cost during the current year amounting to Rs.125 can be met from the lump provision of Rs.53200 made in the budget estimates for 1918-1919 for, among other objects, the strengthening of the staff of the Government Secondary and Elementary Schools for girls.

I have the honour to be,

Sir,

Your most obedient Servant,
