Copy of letter from the District Judge, North Arcot, to the Registrar, High Court, Madras, No.2879, dated the 10th August 18.

I have the honour to forward herewith a memorial addressed to His Excellency the Governor in Council submitted by V.N.Kalyana Venkatakrishna Ayyar, an acting clerk of the District Munsiff's Court, Chittoor on Rs.20/- praying that in the circumstances stated therein, the Government may be pleased to exempt him from examination rules to enable him to hold posts carrying a salary of Rs.25/- per mensem and to recommend the applicant for such an exemption. The applicant appeared for the Matriculation examination 6 times but did not succeed in the same. He worked as a temporary reader of copies and temporary examiner of copies in the District Court and has been acting as a clerk on Rs.20/- in the Chittoor District Munsif's Court. The clerk has acted in both the courts for a total period of 7 years and 8 months up to the 1st instant. I have allowed the clerk to continue in his appointment in anticipation of sanction of Government.

I have enclosed herewith the letter in original received from the District Munsiff of Chittoor recommending him for exemption up to Rs.25/- together with copies of his testimonials.

To

His Excellency the Governor in Council,

Through

The Honourable the Judges
of the High Court of Judicature,

M A D R A S.

The District Judge, North Arcot, and

The District Munsiff, CHITTOOR.

May it please Your Excellency,

Your Excellency's humble petitioner most respectfully submits this memorial for exemption under Examination Rules.

This petitioner appeared for the Matriculation Examination of the Madras University more than once but without success. He was first entertained as a temporary Examiner of copies in the District Court of North Arcot, Chittoor, during the year 1912 in which place he continued till February 1914 when he was appointed as an acting clerk on Ra20 in the District Munsiff's Court, Chittoor. Eversince he has been continuing in that office without any break.

It was the special misfortune of this memorialist that he was not confirmed in that appointment before the receipt of the Public Service Notification (G.O. No. 1021, dated 6th August 1917) requiring qualified candidates even for posts carrying Ra20/-

It is certainly very hard for your Excellency's poor memorialist to quit the service of Government which he held continuously for over 6 years and the G.O. in question passed in August 1917 should take away from him the chance of confirmation which he possessed all the years previous to that date.

As would appear from the testimonials appended hereto the memorialist has been doing satisfactory work and the fact that he several times appeared for the Matriculation Examination may be considered to be a sufficient qualification at least equal to that of a candidate possessing a completed Secondary School Leaving Certificate.

In these circumstances, your Excellency's memorialist most humbly prays that he may be exempted under Examination Rules to hold appointment up to Rs.25/-.

For this act of kindness your Excellency's humble memorialist most respectfully prays for your Excellency's long life and prosperity.

Your memorialist begs to remain,

Your Excellency's most obedient and humble servant,

V. N. Kalyana Venkata Krishna

Copies of Testimonials.

V.N.Kalyana Venkata Krishna Iyer has been acting in this office for about 2 years. He belongs to a respectable family and is very well behaved and industrious. He has given me entire satisfaction in the discharge of his duty. He writes a neat hand and is well up in English, and is, I dare say, much better than an average Matriculate. I shall be very glad if I can see my way to confirm him in the near future. Opportunities are, however, rare, and promotion is rarer still, in this department. I have no hesitation in stating that in whatever department he may serve or to whatever walk of life he may attach himself he is sure to give satisfaction to his superiors by his intelligent industry and good behaviour. I wish him God speed.

Dated 28th January 1910.

M.V.N.Kalyana Venkata Krishna Iyer was a pupil of the P.S. High School, Mylapore the year 1907. He was studying in the VI Form whom he left the school. In the year 1907 he went up for the Matriculation Examination as a private candidate and was one of the very deserving candidates who should have gone up but were ploughed down in that examination so notorious for its failure in selecting the most suitable candidate for the University course. He is much better than an average Matriculate in English and has got good business capacity. He can hold conversation without any breakdown in good English and is, therefore, fitted to serve in any department where an young man that can read and write good English is required. I have always been pleased with his manners and his conduct and character are exceptionally good. He belongs to a respectable family.

III

I have great pleasure in recording my good opinion of the character V.N.Kalyana Venkata Krishna Iyer and his actual merits in general.

He comes of a very respectable family and his behaviour and conduct may be seem to be quite in concord with the good breeding and training he has had in his early years.

He was student in the matriculation class in the P.Subramaniam High School, Mylapore, in the year 1907. His knowledge in English is much more than what could be expected of a student of that class. He has a knack of putting his ideas in simple and good English. He was very diligent and sharp. I have no hesitation in saying that he will very faithfully discharge the duties entrusted to him. I wish my young student all success in life.

Hindu High School, Triplicane,
29th January 1910.

I hereby certify that V.N.Kalyana Venkata Krishnan Iyer was a student of the Hindu High School Triplicane in 1905. He appeared for the Matriculation Examination that year but unfortunately failed. He was an intelligent and hardworking student. His attainments are above the average of the Matriculation students. He possesses a good knowledge in English. His behaviour was always gentlemanly and his conduct was always satisfactory. I shall be glad to hear of his

success in life.

I have known Mr. V.N.Kalyana Venkata Krishnan for more than 2 years. He has been working in my Court as assistant to the original side Bench clerk. I find him honest, intelligent and industrious. He belongs to a respectable family and his character uniformly good. But he is unfortunate in not getting any permanent clerk's place as yet, and I wish that he would get it soon.
