Station Madras, Dated the 14 August 1918

From (Name) The Hon'ble Mr. J.H. Stone, M.A., F.R.M.S., C.I.E.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.
/ Through the Accountant General, Madras. /

Sir,

The Inspectress of girls' schools, Southern Circle, reports that the sanctioned scale of staff of the Government Girls' school, Tiruvengad which consists of seven teachers (on Rs50, 20, 15, 12, 12, 12 and 12) is inadequate to meet the growing needs of the school which consists of eight standards with a total strength of 163 pupils (vide details on the margin). She considers that there should be a separate teacher for every standard and accordingly recommends the employment of an additional teacher on Rs25 per mensem. The Inspectress's proposal has by surplus as even the average number on the rolls warrants the employment

employment of an additional teacher, and I have the honour to commend it for the sanction of Government with effect from 1st September 1918. A salary of Rs25 is proposed as the extra teacher is wanted for the charge of either the 6th or the 7th standard and I intend proposing the Inspectress that the new post should be filled by a qualified mistress from outside and by none of the existing members on the staff.

2. The extra cost during the current year amounting to Rs150 can be met from the lump provision of Rs53200 in the budget for, among other purposes, the strengthening of the staff of the Government secondary and elementary schools for girls.

I have the honour to be,

S i r,

Your most obedient servant,

G. Krishnamoorti

for Director of Public Instruction.
