From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.H.S., C.I.E.,

(Designation) Director of Public Instruction, MADRAS.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

In their order No.842 Educational, M.S., dated 12th September 1913 Government approved of the Director's proposal to incur an expenditure of Rs.1,680 per annum in providing conveyances for the Gosha pupils attending the Government Hobart Training School for mistresses, Madras. In accordance with this order, seven carts were engaged at Rs.20 per mensem per cart for ten months for conveying the Gosha pupils to and from the School. In 1914 the Inspectress applied for the sanction to hire an additional cart for three months from

January to March 1915, as the seven carts were found insufficient to carry all the pupils to the School and her request was sanctioned by me as there were savings in the budget provision therefor. The Inspectress also requested that the amount of Rs.1,680 provided for the purpose might be ~~nine~~ raised to Rs.1,920 per annum but she was informed that the annual expenditure on account of providing conveyances for the Gosha pupils should be limited to the amount of Rs.1,680 sanctioned by Government in their order read above. Since then, however, circumstances have changed and the Inspectress reports that owing to the great rise in the price of food and cart hire, cart contractors are not willing to supply carts for less than Rs.25 per mensem per cart nor unless a retaining fee of half this amount is paid for the period of the vacation. Despite enquiries no more economical arrangement could be discovered and, as carts are necessary, I support the Inspectress' recommendation that the demands of the contractors may be conceded. The contract, which expired on July 29th, will have to be renewed at the revised rate for as long a period as the Inspectress can arrange for. The number of carts which may be approved is eight, though the Inspectress recommends nine: Seven would not be enough for the existing strength, especially considering that the School has been raised to the status of a Secondary Training School. I have therefore the honour to request that you will be so good as to obtain the sanction of Government for the entertainment of eight carts for the school at the rate of Rs.25 per mensem for 10 ~~ten~~ months of the school time and at Rs.12½ per mensem for the two months of vacation for each cart.

2. The additional expenditure required for the current official year will be met from the budget provision of Rs.2,140 made for the purpose under "contingencies" of the School.

3. I have in anticipation of sanction asked the Inspectress to engage the carts at the increased rates recommended by her.

I have the honour to be,
Sir,
Your most obedient Servant,

C.No.1707 B From the Director of Public Instruction No.R.C.

6372/18, dated the 10th August 1918.

Subject.

Provision of conveyances to goona pupils attending the Government Hobart Secondary and training school for Mistresses, Madras.

Ref.

The practice of providing conveyances at Government cost to the goona pupils of this institution is long standing---vide D.P.I's letter at page 2 of G.O. 642 Edl., dated the 12th Sepr.1913. It has also been definitely accepted to bear the entire charge from Provincial funds in respect of this school---vide Sir M. Hammick's note at page 2 of notes to G.O. 82 Edl., dated 1-2-12 and para 2 (ii) of office note at page 1 of notes to G.O. 639 Edl., dated 9-6-16.

2. There appears to be no alternative but to sanction the D.P.I's present proposal, which amounts to raising the annual expenditure from Rs.1,680 to -- Rs.2,200. The draft ^{order} ~~order~~, if approved, may go to Financial for acceptance.

Hackney carriage rates in Madras have now increased considerably as shown below:-

	Full day.		half day.	
	Old rate.	New.	Old rate.	New
Single bullock cart.	1-8-0	2-0-0	0-12-0	1-8-0
Jutka and double bullock cart.	2-0-0	3-0-0	1-0-0	2-0-0

The increased rate demanded seems therefore justifiable. It is however not clear why a retaining fee of half the amount should be ~~demanded~~ ^{demanded} for the two months of vacation for each cart. This sum amounts to Rs.200 in all. This is quite unusual, and there seems ordinarily no justification for paying hire when no use is made of the carts. Probably the cartmen would not agree to any other terms. As the D.P.I. has already accepted them, we may pass the ~~proposals~~ Draft for approval.

Please see the 2nd note above. He emphasises the fact stated at A on pages C.P. ¹¹ can say no more than that the contractors refuse to supply carts except on payment of a retaining fee for the period of the vacation. There appears to be no means of avoiding the expenditure.

2. The draft order may arise with the concurrence of the Financial Department.
