Sir,

I have the honour to state that the Council has sanctioned an estimate for Rs. 1900 for the construction of a building for the Municipal Panchayat school which is now located in a small thatched building quite unsuitable for the purposes of a school. There is no doubt that a decent building will attract more students.

and render the school more popular. The municipality has provided a sum of Rs. 1000 for the purpose in the budget but is not able to meet the balance from its own funds. I request therefore that Government may be pleased to sanction a grant of Rs. 900 being the balance required for the construction of the building. An extract from the proceedings of the Council dated 13--5--1918 is enclosed.

I have the honour to be,

Sir,
