R. C. No. 3054/1918

Station Madras, Dated the 14 August 191

From (Name) the Hon'ble Mr. J. H. Stone, M.A., F.R.H.S.,
C.I.E.,
(Designation) Director of Public Instruction,
MADRAS.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir, /Through the Accountant-General, Madras/.

I have the honour to bring to the notice of Government
the case of S. Michael, who is employed as Assistant
Carpentry Instructor on Rs. 16 in a grade of Rs. 15-1-20
in the Reformatory School, Chingleput. He has passed in
Cabinet Making (Advanced)-I Class, Freehand Outline
Drawing (Intermediate) and Geometrical Drawing (Elementary).
The Superintendent reports that the pay now given to this
teacher is very inadequate for a man of the above qualifi-
cations and he recommends that he be allowed to draw the

2

maximum pay of his grade on the grounds (1) that the services of the Instructor are worthy of retention in the School, (2) that the present day prices of foodstuffs are very high and (3) that, while the pay of the appointment is in itself very low, S. Michael is the lowest paid Maistry in the School. I agree with the Superintendent's views and accordingly beg to recommend that S. Michael be permitted to draw Rs.20 per mensem in his present post until such time as the industrial department of the School is reorganized.

I have the honour to be,

Sir,

Your most obedient Servant,

C. V. S. S. S.
for Director of Public Instruction

Enclosures.

Forwarded.

2. There is no audit objection to the proposal of the Director of Public Instruction, being sanctioned by Government in the Financial Department under article 153, Civil Service Regulations.

3. In the vacant appointment of Assistant Carpentry Instructor (15-1-20), S. Michael, an outsider, has been appointed sub protem from 9-7-17. With effect from 9-7-18 he is eligible to draw Rs.16½ per mensem.

4. It has since been ascertained from the Director of Public Instruction that the extra expenditure during the current year can be met from the anticipated savings in the provision for "salaries" made for the school in question in the Civil Budget estimate for the current year.

6.17.84/13, from the D.P.G., Re. 3054/13

The general ruling in
regards to the grant of an increment
progressive pay in advance of due date
is given in Art. 153 (a) of the L. S. R.
In the present case it is reported
that the ^{present} ~~first~~ Carpenter Instructor of
the Reformatory School has passed the
Govt. Technical examn., that his
are worthy of attention in the school
and that the pay of the asst. he holds
very low. These considerations coupled
with the general rise in prices would
seem to justify the proposal to allow
Michael, the present incumbent of the
post, the maximum pay of ~~the school~~ in
the sanctioned scale of Rs 15-1-20.
The Director also forebushes proposal
for a general reorganization of the
industrial section of the Reformatory
School and in his opinion the case
Michael cannot presumably await the
contemplated revision. It may also be

pointed out in this connection that the
Govt. appears to have accepted the
principle that the pay of these profess-
instructors should be determined by

Y.V./9/6

one of the corresponding trade would be able to earn outside the school. Judged by this standard, the pay of Rs 15-120 to an instructor of ~~the~~ Michael's qualifications cannot be said to come up to the value he can command in the market; a similar man can easily ^{earn} at least 12 Rs per day in any of the furniture ^{makers}. It is therefore for orders whether the Director's proposal may be approved. If so the draft below may serve with the concurrence of Financials.
