Sir,

In continuation of this Office R.O.No.115/1917 dated 8th June 1918, I have the honour to report that the printer of the Ramohan Press, Elore, has, with reference to Government Memorandum No.822 P-1 Home (Education) dated 25th April 1918, since supplied this Office with a copy each of the issues of 'Caudari' Vol.1, Nos.3 to 6 and 8 to 10. He has yet to supply No.7 of the periodical and he states that he will "try his best" to supply it also.

2. As regards the supply of a copy of the publication entitled

entitled "Stri Sahasamu", the printer states that there are two books bearing the same name written by two different authors and that one of the books only was printed in his press during the time of his predecessor who is since dead, and that as copies of this publication have been exhausted, he is unable to supply a copy as required. In regard to this allegation, I beg to point out that the publication referred to by the printer is not the one demanded by this Office but what was demanded was the book bearing the same name which was printed during the time he was printer of the press and for which a memo of particulars bearing his signature has been filed in this Office. I have pointed out this fact to the printer also.

I have the honour to be,

Sir,

Your most obedient Servant,

Please see the letter read above since received from the Regr. of Books in which he states that the printer has partially complied with the requirement from the Govt. and promises to comply with it fully. In the circumstances it is for consideration whether orders may be withheld for some time. The draft order has been amended with reference to the Registrar's letter read above.

We may perhaps give the printer some more time. He seems to have now come to his senses. We may ask the Registrar to give the printer a fortnight further time to report to Govt. after that time.
