From Supt. Engineer

L.D.yenkatarama Ayyar Avl., B.A., B.C.E.,

Supt. Engineer, Third Circle, Bellary.,

To

The Secretary to Government,

Home (Education) Department, Madras.,

Sir,

In reference to your Memo No. 1028-B/2, dated the 13th of June 1918, I have the honour to state that I do not consider it necessary to keep a separate stock of the book "Hampi Ruins described and illustrated" at the Kamalapuram Inspection Bungalow for sale to the visitors who may require them. There is a special Sub Overseer designated Hampi Ruins Superintendent who is permanently stationed at Kamalapuram which is not very far from the Inspection Bungalow and as it appears that arrangements have already been made to keep a stock of a few copies of the book with him for sale to the visitors, nothing further seems necessary than to increase that stock to some 20 copies. It is reported that one copy of the book has already been sent by the Superintendent, Archaeological Survey, with instructions to have it kept in the Bungalow for reference of visitors and that these instructions are being attended to.

2. I request that a copy of the book may be supplied for my office Library.

I have the honour to be, Sir,

Subject: - Sale of copies of the
book "Hampi Ruins, described &

travellers' Bungalow.

The suggestion that
a few copies of Mr. Longhurst's
little book on "Hampi Ruins" may,
with advantage, be made available
for sale at the Karmalapuram rest
house was made by Dewan
Bahadur L. D. Swarnikgannu Ribbit
while he was acting Secretary.

The P.D. B. ^(Bellary) to whom a reference was
made, now reports that the Bungalow
is in charge of the P.W.D. and that
the Executive Engineer, Bellary
Division, may be addressed in
the matter. It may be observed
that the S. G. P. has already
been instructed to leave a few
copies with the Sub-assistant in
charge of the ruins so that he
might sell them to tourists or
visitors ^{who may} ~~be~~ require
copies. If the Executive Engineer

No. 1907/B, from the S.E. III, 7535, d/ 4.7.18

Please see the S.E.'s letter at p. 5, c. f. He does not consider it necessary to keep a separate stock of books at sale at the Kamalapuram Bungalow. For orders whatever the Govt. may agree.

1. In regard to the S.E.'s suggestion to increase the stock of books with the Sub-assistant in charge of the ruins (Kampi Ruins Supply), it will be observed that No. 447 Edm., d/ 6th April 1918 authorized the replenishing of the stock with him by means of five copies whenever the existing supply becomes exhausted. No special advantage is discernible in the S.E.'s suggestion to increase the number to 20.

3. The S.E.'s request to be supplied with a copy of the book for his office library may be granted.

4. Draft order to Subd.

Obviously the watchman at the Bungalow will not be able to maintain a regular account.

of books. we may therefore drop the proposal to keep copies at the bungalow for sale, especially as it is stated that the sub-overseers live close by. But a notice may be put up in some prominent position in the bungalow that copies of the book may be had for sale ^{from} the sub-overseers in charge of the ruins.

As regards the proposal to increase the no. of copies with the sub-overseers it may be done if experience shows that a large demand exists for copies.

Draft for approval. It may be sent to P. W. D. for perusal before issue.
