Government secondary schools for girls

Sanctioning the proposals for the opening three — at Masulipatam, Cuddalore and Mangalore.

READ—the following papers :—

I

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Home (Education) Department (through the Accountant-General).

Dated—Madras, the 26th July 1918.

No.—R.C. 4155.

In continuation of paragraph VII (b) of my letter C. No. 10281, dated 15th December 1917, I have the honour to submit the following proposals for the opening of a secondary school for girls in each of the inspectresses' circles. At the conference of inspectresses of girls' schools held in December 1915 it was proposed among other things to open secondary schools for girls to begin with at Rajahmundry in the Northern Circle, at Cuddalore in the Central Circle, and at Mangalore in the Southern Circle.

2. (1) As it is difficult to secure suitable accommodation at Rajahmundry, I propose that a school be opened at Masulipatam instead and that to this end the Lady Amphil Hindu girls' school there be taken over under departmental management. This proposal was already under the consideration of Government, as will be observed from the correspondence ending with G.O. Mis. No. 731, Educational, dated 4th July 1916. It is proposed that this school which is now of the elementary grade with standards I to V be raised to the secondary grade, by the opening in it of forms I to III, the higher forms being added on later as occasion may arise. The management, it will be observed, is prepared to hand over the school building and equipment as a gift to Government and no provision need therefore be made for rent. A staff of nine teachers will be necessary for the school which will consist of eight classes, an extra teacher being required for the first standard which contains 50 pupils and therefore has been working in two sections. The following scales of staff and salaries are proposed :—

Headmistress, Rs. 100.
 Eight assistants on Rs. 75, 60, 50, 40, 2 (30) and 2 (25).
 Clerk, Rs. 20.
 Peon, Rs. 7.
 Total, Rs. 462.

The full complement of staff will be appointed only if and when it is necessary. The school has now an inadequate staff of five teachers on Rs. 10, 9, 8, 7 and 6 per mensem. Including contingencies which may be estimated at Rs. 28 per mensem the total recurring cost under the proposed scale will be Rs. 490 per mensem or Rs. 3,430 during the seven months of the current year. Allowing a sum of Rs. 1,570 for the supply of the necessary furniture and appliances, the total cost will amount to Rupees 5,000 in all.

(2) As regards the school to be opened at Cuddalore, I propose that the model school now attached to the training school for mistresses be raised to the secondary grade by the opening of a fourth form in it and the conversion of the three existing higher classes into forms and that the scale of salaries be revised as shown below:—

	Present scale.	Proposed scale.
	RS.	RS.
Headmistress	65 plus 25 (90)	100
First assistant	30	75
Second	20	60
Third	15	50
Fourth	15	40
Fifth	15	30
Sixth	15	25
Seventh	15	25
Eighth	20	25
Ninth	9	20
Clerk	8	8
Peon	—	—
Do.	—	—
Total	267	497

or plus 230 per mensem.

The extra cost will thus be Rs. 230 per mensem or Rs. 1,610 during the seven months of the current year or Rs. 2,000 in round numbers including charges under "supplies and services" and "contingencies".

(3) *Mangalore*.—Here also it is proposed to raise the model school attached to the Government training school for mistresses to the secondary grade by the opening of a fourth form in it and by the provision of a staff of nine teachers. Excluding the staff of the training section, the staff of the model school consists at present of eight teachers besides a clerk and a peon and it will be necessary to revise the scale of staff and salaries as shown below:—

	Present scale.	Average.	Proposed scale.
	RS.	RS.	RS.
Headmistress (temporary)	50	—	100
First assistant	30—2—40	36½	75
Second do.	25—1—30	28½	60
Third do.	20—1—25	23½	50
Fourth do. (temporary)	20—1—25	—	40
Fifth do.	15—1—20	18½	30
Sixth do.	15—1—20	18½	30
Seventh do.	15—1—20	18½	25
Eighth do.	—	—	25
Clerk	15—1—20	18½	20
Peon	8	8	8
		170½	463
Junior industrial teacher (not filled up at present).	20	—	20
Senior industrial teacher	—	25	25
		215½	508

The additional cost will thus be Rs. 292½ per mensem or Rs. 2,050½ during the seven months of the current year. Adding to this a sum of Rs. 449½ towards "supplies and services" and "contingencies" the total cost will amount to Rs. 2,500.

I may add that the post of junior industrial teacher on Rs. 20 per mensem which has been kept in abeyance so as to set free funds to meet the cost of the temporary assistant on Rs. 20—1—25—vide the correspondence ending with G.O. No. 303, Home (Education), dated 5th March 1918—will not be filled up until the necessity for revising it arises.

3. It will be observed that I have proposed salaries for the headmistresses at too low a rate to attract L.T. women teachers, because I think that while the highest forms are the fourth experienced trained secondary grade teachers may be in charge

of them. If, however, the schools develop, as I hope they will, additions to the staff will have to be of Graduates and the scales of pay adjusted with this in view.

	RS.
Masulipatam	5,000
Cuddalore	2,000
Mangalore	2,500
Total	9,500

4. The above proposals which may have effect from 1st August 1913 will involve an extra expenditure not exceeding Rs. 9,500 as shown in the margin and this amount has been included in the lump provision of Rs. 53,200 made in the current year's budget estimates under 22. EDUCATION.

II

Endorsement of the Accountant-General No. Kis. 1—9485, dated 16th August 1918.

Forwarded.

2. The entries in the present scale as stated in paragraph 2 of the Director of Public Instruction's letter to Government have been checked and found correct.

3. There is no audit objection to the proposals being sanctioned by Government in the Financial Department and to the extra expenditure being met from the source indicated.

Order—No. 1276, Home (Education), dated 25th September 1918.

The Government approve the proposals of the Director of Public Instruction to take over under departmental management the Lady Amphill Hindu girls' school at Masulipatam, to raise it to the secondary grade and also to raise to the secondary grade the model schools attached to the Government training schools for mistresses at Cuddalore and Mangalore. The Director's proposal to adopt the scale of staff and salaries specified in paragraph 2 of his letter is also sanctioned subject to the modification that the pay of the headmistresses in the three schools is fixed at Rs. 75—5—100 per mensem and on the understanding that the staff sanctioned for the Masulipatam school will be employed only when the necessity for it arises. The teachers will be ineligible for grain compensation allowance. These proposals will take effect from 1st August 1918.

2. This sanction is registered as No. 153 of 1918—19.

3. The additional expenditure involved in the proposal for the current year will be met from the sources indicated in paragraph 4 of the Director's letter.

NOTES CONNECTED WITH G.O. No. 1276, HOME (EDUCATION),
DATED 25TH SEPTEMBER 1918.

[SUBJECT.—Proposals for the opening of secondary schools for girls.]

From the Director of Public Instruction, dated 26th July 1918, No. R.C. 4155.

HOME (EDUCATION) DEPARTMENT.

The necessity for the establishment of more secondary schools for girls has already been recognized by the Government and the requisite provision for the purpose has been made in the current year's budget—vide papers recorded in G.O. No. 43, Home (Education), dated the 15th January 1918. As an instalment of the scheme the Director of Public Instruction now proposes—

(1) to take over under departmental management the Lady Amptihill elementary girls' school at Masulipatam and to raise it to the secondary grade, by opening forms I to III immediately and the higher forms gradually as occasion arises, and

(2) to raise the model schools attached to the Government training schools for mistresses at Cuddalore and Mangalore to the secondary grade, by opening form IV in each of them.

The recurring cost of (1) is estimated at Rs. 5,880 and that of (2) at Rs. 2,760 and Rs. 3,515, respectively, per annum, the cost for the current year being Rs. 5,000, Rs. 2,000 and Rs. 2,500, respectively.

2. For the present, the highest form in the Masulipatam school will be the III form and that in the other two schools will be the IV. But a uniform of scale of staff is proposed for all. The Director of Public Instruction, however, explains with regard to this that the full complement of the staff in the Masulipatam school will be employed only if, and when, it is necessary. Attention is also solicited to paragraph 2 of the Director's letter. Pages 7 and 8 of G.O. No. 1082, Home (Education), dated the 23rd August 1918, give the scale of staff of certain other secondary schools for girls. Of these, except the schools at Rajahmundry, Calicut and Cuddalore which are higher elementary, all are complete secondary schools, that is to say, they contain forms up to the VI. Allowing for this difference between those schools and the schools now under reference the scale of staff and salaries proposed for the latter does not appear to be extravagant. The proposals may be approved.

3. The date from which effect may be given to the sanction may be the date of the order. No mention of any specific date need therefore be mentioned in the order.

4. A draft order is submitted. If approved, it may be forwarded to Financial u.o. for acceptance.

[SUBJECT.—Proposals for the opening of secondary schools for girls.]

HOME (EDUCATION) DEPARTMENT.

The necessity for the establishment of more secondary schools for girls has already been recognized by the Government and the requisite provision for the purpose has been made in the current year's budget—vide papers recorded in G.O. No. 43, Home (Education), dated the 15th January 1918. As an instalment of the scheme the Director of Public Instruction now proposes—

The recurring cost of (1) is estimated at Rs. 5,830 and that of (2) to Rs. 2,760 and Rs. 3,515, respectively, per annum, the cost for the current year being Rs. 5,000, Rs. 2,000 and Rs. 2,500, respectively.

Attention is also solicited to paragraph 2 of the Director's letter. Pages 7 and 8 of G.O. FINANCIAL DEPARTMENT.

It is proposed to open secondary schools for girls at Masulipatam, Cuddalore and Mangalore. The arrangements, which the Director of Public Instruction proposes to sanction immediately and the extra cost under establishments involved therein, are shown below:—

Extra cost
per annum
(Recurring).
RS.

(a) Masulipatam—

To take over under departmental management the Lady Amphil elementary school (with standards I to V) and to convert it into a secondary school by the opening of forms I to III

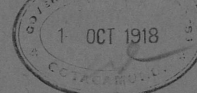

462

(b) Cuddalore and Mangalore—

To raise the model schools attached to the training schools at the places to the secondary grade by the opening of IV form

522½

984½ or Rs. 11,819
per annum.

2 NOTES TO G.O. No. 1276, HOME (EDUCATION), 25TH SEPTEMBER 1918

As these schools develop into full secondary schools, the extra cost will increase. Also there will be expenditure under supplies and services, etc., and non-recurring charges. The total extra cost in 1918-19 is calculated at about Rs. 9,500 (for seven months).

2. Provision has already been made in the Civil Budget Estimate for 1918-19 on account of the opening of these high schools and the necessity for them has therefore been already recognized by Government.

3. The strength of the staff proposed calls for no remarks. The number of teachers generally works out to a teacher for each class. In the Masulipatam school, where three classes will be opened at once, the Director of Public Instruction states that the full complement of staff will be appointed only if and when it is necessary.

4. The Home Department consider that the rates of pay proposed for the teachers are not extravagant. It is however observed that the uniform scales now proposed are rather liberal when compared with the corresponding scales given in other schools—e.g., the minimum pay here is Rs. 25 while the minimum pay of teachers, say, in the Cannanore school, is only Rs. 15. However, in view of the Director of Public Instruction's recommendation, the proposed rates may be accepted subject to the modification that the pay of the headmistress in the three schools may be fixed at Rs. 75—5—100—the posts are now to be filled up by experienced secondary trained teachers who are usually paid only this amount.

5. The staff may be declared ineligible for grain compensation allowance.

6. Subject to the above remarks, the draft may, it is submitted, be accepted, the sanction being registered as No. 153 of 1918-19.
