To be made till now for the purpose of Muhammedan Education and the Muhammedan community has not fully availed itself of the existing facilities granted under the educational grant-in-aid to apply for the Government grant and such scholarship endowments as have been made have been the results of collective efforts of the community. This is the first valuntry endowment of the kind made by an individual member of the Muslim community and with the awakening in the educational matters it is strongly hoped that if it is kindly supplemented by an equal amount by the Government as a special case, it will encourage other Muhammadans to follow suit and to institute similar Scholarship endowments, In conclusion, we request you to be kind enough to forward this application to the Government with your strong recommendation.

After the sanction of the Government grant we are willing to make a joint application under section 6 (1) of the Charitable Endowments Act (VI) of 1890, to vest the fund of Rs 4,000 in the Treasurer of the Charitable Endowment. A draft Scheme for the administration of the trust to be settled on the lines of the Wenlock Memorial Scholarship endowment and the Boddam Muslim Scholarship endowment, will be sent to you later on.
