Sir,

The Balliguda hill range in the Ganjam agency is
composed of two Supervisors' ranges viz. the Udayagiri sub range
containing 49 Government, 27 aided and 8 unaided schools and
Surada sub range containing 40 Government, 24 aided and 7 unaided
schools. Although the total number of schools in each of these
sub ranges is not very large it is stated that owing to the
difficulty of touring in the Agency parts and the enormous
tracts to be covered the Supervisors in charge of them are at
present

present unable to pay more than two visits to a school in a year. But the Special Assistant Agent Balliguda District considers that facilities should be afforded for their visiting each school at least once in two months as in the Agency tracts the teachers are far from being perfect and require constant supervision and checking and the parents care little for the education of their children and have to be frequently reminded of its advantages. The Special Assistant Agent is further of the opinion that the Supervisor should accompany him at his inspection of the schools. This also is said to be rarely possible at present on account of the enormous size of the sub ranges. In these circumstances the Agent to the Governor in Ganjam has proposed the division of the range into three sub ranges and the employment of an additional Supervisor. The Inspector of Schools, 1st Circle and the Assistant Inspector of Schools, Ganjam District who were consulted in the matter support the Agent's proposal. While approving the need for an additional Supervisor, I think that for want of provision in the current year's ^{budget} the proposal may be given effect to from 1st March 1919. I have the honour accordingly to request that Government will be pleased to sanction the employment from 1st March 1919 of an additional Supervisor on Rs.50 per mensem and a peon for the officer on Rs.7 per mensem and permit me to make

CNo. 2220 A from the D.P.S. no. 4867 of 22.8.18.

Subject - Employment of an additional
Superior for Balliguda Division

Submitted that in the circumstances explained in the Director's letter read above the proposal to employ an additional supervisor for the schools in the Balligundee hill range may be approved. In the scheme for the strengthening of the inspecting ^{agency} (which is at present lying over pending consideration of the recommendations of the P.S. Commission, it has been decided to abolish the staff of supervisors and to employ more sub-assistant inspectors in their stead. It is therefore submitted that the ~~last~~ new supervisor this staff may be sanctioned for the present temporarily for a period of two years from 1.3.19.

2. In view of the above proposal to create the post temporarily, it is for consideration whether it may not be sufficient to sanction a temporary post on Rs. 30 ^{instead of Rs. 50} leaving it to the Director to post a suitable man for the range. He may perhaps be asked to state if there is any objection to this course.
