From (Name) the Hon'ble Mr. J. H. Stone, M.A., F.R.H.S., C.I.E.,

(Designation) Director of Public Instruction, MADRAS.

To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.

Sir,

In submitting a copy of letter from Mr. Hart, Acting Inspector of European and Training Schools, Cur No. 173 G dated 20th July 1918 together with the statements referred to therein, I have the honour to request that he may be granted exemption from the operation of Article 1056 Civil Service Regulations for a period of 30 days during which he stayed on the Nilgiris, and to state that his stay was necessary in connection with the inspection of European Schools there.

Hostel charges at Ooty from the 11th May to 15th June (inclusive)

9686096839

Mr. Hart was granted similar exemption last year in G. O. No. 1168 Home (Education) dated 11th September 1917. The reasons which led to the recommendation which I made in my R. C. No. 3730/1917 dated 23rd July 1917 hold good for the most part for this year also.

Under the circumstances I request that he may be granted the exemption asked for. Mr. Hart is now acting in the Indian Educational Service and it is therefore I recommended that he may be permitted to draw halting allowances for a period of 30 days at Rs. 7-8-0 for the first 10 days, and at Rs. 5 for the remaining days.

I have the honour to be,

Sir,

Your most obedient Servant,

R. A. P.

for Director of Public Instruction

Letter Cur No. 173 G/18 dated 20th July 1918
from the Inspector of European and Training Schools, Madras

With reference to Proceedings R.C.No. 3730 of 1917 dated 25th September 1917, I have the honour to apply again this year for exemption for 30 days from the operation of Article 1056 of the Civil Service Regulations on account of my tour in the Nilgiris in May and June for the inspection of Schools and to submit the necessary statements.

Statement I shows the extra expenses incurred on account of the tour; for while I was away at Ooty my ordinary expenses in Madras connected with the upkeep of house, servants, carriage and horse and other necessary establishment, had also to be met.

Statement II shows the work of inspection that was done. I had no less than 10 schools to inspect according to my programme and this work was finished during my stay at Ooty. The inspection of ten schools is ample work for 30 days and it could not be done in less time. The long halt was therefore entirely in the interests of the public service.

Last year the Government were pleased to sanction Rs. 5 per day "for the remaining days". As hotel charges were dearer this year and my total expenses exceeded those of last year, I request you to be so good as to get me not less than Rs. 6 per day for the extra 20 days. Even this, with the Rs. 7-8-0 per day already drawn for the first 10 days, will not cover the total expenditure.

Statement I

Shows the extra expenditure incurred on account of the tour.
