NOTES CONNECTED WITH G.O. No. 1288, HOME (EDUCATION),
DATED 26TH SEPTEMBER 1918

[SUBJECT.—*Delegation of powers to Superintending Engineers and Chief Engineers in respect of exemptions from examination rules.*]

PUBLIC WORKS DEPARTMENT.

Please see the notes in Home (Education) at pages 2-3 of G.O. No. 732, Home (Education), dated 8th June 1918, and also the notes at pages 21-23 of Memorandum No. 4132 C, dated 15th July 1918. Home (Education) suggested that the question of granting increased powers to Superintending Engineers and to the Chief Engineers to sanction exemptions from the examination rules might be separately brought forward. This question may therefore now be taken up.

2. This department recommended as follows (vide notes on page 8 of the notes to G.O. No. 1021, Home (Education), dated 6th August 1917 and also the notes with G.O. R. No. 52, Home (Education), dated 2nd March 1918):—

Exemptions from the general educational qualifications.

(i) That Superintending Engineers should be given the same powers as collectors of districts in the matter of exemptions.

(ii) That the Chief Engineer, Public Works Department, may be given powers to sanction permanent exemption to unpassed men for holding posts on Rs. 20 without the proviso that bona fide efforts have been made without success to secure passed men.

Exemption from special tests.

(iii) That the Chief Engineer, Public Works Department, and the Chief Engineer for Irrigation may be given powers to sanction temporary exemptions from professional qualifications in the case of draftsmen, executive sub-overseers and surveyors for a period of twelve months, without any limit of pay and without the proviso that bona fide efforts have been made without success to secure passed men.

The above recommendations are discussed in the Home (Education) Department's notes on pages 18-19 of the notes to G.O. No. 521, Home (Education), dated 23rd April 1918.

Exemption from general educational qualifications.

3. *Recommendation (i).*—The powers now exercised by Superintending Engineers are given in article 4 (11) of the Public Service Notification, and those exercised by collectors of districts in article 4 (6) of the same notification. The Home (Education) Department propose to invest Superintending Engineers with the same powers as collectors, viz., to grant temporary exemptions from general educational qualifications to unpassed men up to Rs. 30 and for a period of twelve months. Vide portion on page 18 of the notes with G.O. No. 521, Home (Education), dated 23rd April 1918. This proposal may be

Yes. S.B.M.—17-8-18. | accepted in this department.

Recommendation (ii), page 1 ante.—For the reasons given in their note on pages 18-19 of the notes to G.O. No. 521, Home (Education), dated 23rd April 1918, the Home (Education) Department consider it not necessary to delegate to the Chief Engineer the power to grant permanent exemptions. This may be agreed to having regard

S.B.M.—17-8-18. | to the orders since issued in G.O. No. 991, Home (Education), dated 29th July 1918.

Exemptions from special tests.

4. Recommendation (iii), page 2 ante.—The Home (Education) Department agree to this proposal. That department may be requested to grant the same powers in respect of tracers also.

S.B.M.—17-8-18.

Superintending Engineers now have power to sanction temporary exemption from special tests for a period of three months in the case of draftsmen, surveyors and sub-overseers, when the sanctioned pay of the appointments does not exceed Rs. 50 for draftsmen and surveyors and Rs. 55 for executive sub-overseers—vide article 5 (10) of the Public Service Notification. The Home (Education) Department propose in this case to raise the limit of time to six months—vide page 18 of the notes with G.O. No. 521, Home (Education), dated 23rd April 1918. This may be agreed to. That

department may also be requested to alter the limit of pay to Rs. 50 in all cases instead of restricting the limit to Rs. 35 in the case of executive sub-overseers, because Superintending Engineers have since been given powers to sanction the creation of temporary appointments of lower subordinates (both executive and drawing) up to Rs. 50 per mensem—vide item 16 (f) (b) of the annexure to G.O. No. 523, Financial, dated 24th June 1918.

In G.O. No. 732, Home (Education), dated 8th June 1918, Superintending Engineers were granted powers to sanction temporary exemptions to tracers subject to certain conditions, one of them being that the period of exemption does not exceed

S.B.M.—17-8-18.

three months. The Home (Education) Department may be requested to alter this limit of time also to six months on the analogy of the power proposed in the case of draftsmen, surveyors and executive sub-overseers.

The Home (Education) Department is requested to send a copy of the full notes along with the order to be issued on this case.

5. The file may be sent to the Home (Education) Department u.o. for necessary action.
