ENCLOSURES

(i)

Despatch—from the Government of India, Finance Department (Salaries, Establishments, etc.—Education).

To—His Majesty's Secretary of State for India.

Dated—Delhi, the 16th March 1918.

No.—46.

We have the honour to address you regarding a scheme submitted by the Government of Madras for the permanent retention of certain posts in the inspection branch of the subordinate educational service which they sanctioned from time to time in order to cope with the increased work resulting from the rapid advance of primary education.

2. The Local Government's proposals involve—

(i) the addition to the permanent cadre of sub-assistant inspectors of schools of 55 posts, viz. 54 for sub-assistant inspectors and 1 for a sub-assistant inspectress of schools, and fixed travelling allowances for 52 of these officers.

(ii) the permanent employment of 57 clerks, 54 attenders and 65 peons.

(iii) the abolition of 14 posts of supervisors of Muhammadan schools.

3. The circumstances in which the temporary establishment mentioned in the preceding paragraph was entertained, and has so long remained, on a temporary footing are explained in paragraphs 2-3 of the Local Government's letter enclosed with this despatch. The multiplication of schools, if they are to do good work, must be accompanied by adequate provision for their supervision; and we feel that the measures taken by the Local Government in accordance with this accepted principle err, if at all, on the side of moderation. We have therefore no hesitation in endorsing the Local Government's statement that in any scheme of reorganization that may hereafter be introduced, there is no likelihood of a decrease being effected in the number of sub-assistant inspectors now employed but that, on the contrary, further additions to the number will probably be necessary. We therefore commend the proposals to your favourable consideration subject to the following slight modification. The Local Government request that the permanent retention of the posts in question may be sanctioned with retrospective effect from the dates on which they were temporarily created. But in view of the provision which already exists

in articles 201 and 370 of the Civil Service Regulations for the reckoning of temporary service towards leave and pension, we do not consider it necessary to support this particular recommendation.

4. The net cost of the establishment now proposed will amount to Rs. 7,057½ per mensem or Rs. 84,690 per annum and is shown in the proposition statement annexed to the Local Government's letter. But as pointed out in paragraph 4 of that letter no additional burden save by way of pensionary charges will be thrown on provincial revenues, as the establishment in question has already been entertained and is now being paid from that source.

Despatch—from His Majesty's Secretary of State for India.

To—His Excellency the Right Honourable the Governor-General of India in Council.

Dated—India Office, London, the 28th June 1918.

No.—51, Public.

Having considered in Council Your Excellency's letter No. 46 in the Finance Department, dated the 16th March last, I sanction the proposals made therein regarding the reorganization of the subordinate inspecting staff of the educational service in the Madras Presidency.

Order—No. 1293, Home (Education), dated 27th September 1918.

The Director of Public Instruction is informed that the Secretary of State for India has sanctioned the proposals of the Madras Government for—

(1) the addition to the permanent cadre of sub-assistant inspectors of schools of 55 posts now on a temporary basis, viz., 54 for sub-assistant inspectors of schools (including 5 sub-assistants for Muhammadan schools) and 1 for a sub-assistant inspectress of schools, and fixed travelling allowances for 52 of these officers.

(2) the permanent employment of 57 clerks, 54 attenders and 65 peons, and

(3) the abolition of 14 posts of supervisors of Muhammadan schools.

These proposals are indicated in the proposition statement annexed to these proceed-ings. This sanction has been registered as No. 162 of 1918-19.

2. The Director is also informed that, in view of the provision which already exists in articles 201 and 370 of the Civil Service Regulations for the reckoning of temporary service towards leave and pension, it has not been considered necessary to sanction the permanent retention of the posts in question with retrospective effect from the dates on which they were temporarily created.

All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for *one week*, and larger papers for *two weeks only*. *The type of notes and of all confidential papers is distributed immediately after striking.*

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, only the first time when they appear on the left side, the initials alone being printed later.
