To The Secretary to the Government of Madras,

Home (Education)

Department.

Sir,

In their order No. 951 Home (Education), dated 18th
July 1917, Government approved of my proposal to open a hostel
in a rented building in connection with the Government Training
College, Rajahmundry and requested me to report the amount that
should be levied as rent from the students residing in the hostel.
My reply stating that the rent would be borne entirely by the
students was recorded by Government in their order No. 1127 Home,
Education, dated 31st August 1917. The Principal now requests
that Government may be pleased to pay a part of the rent for the
hostel buildings. He points out, in support of his request, that
most of the students are living in private hostels which are badly

2

kept, and that it is very undesirable that they should continue to live in them ^{as} over 50 per cent of the students so accommodated have been absent from the college on account of ill-health during the six months ending December 1917. It is necessary therefore to induce students to reside in the hostel accommodation provided by the College under proper supervision and under healthy conditions. The main inducement is that the hostel charges should be reasonable and it is to secure this that the Principal makes his recommendation. I consider that there is force in the Principal's argument that, if the hostel is to be made popular one of the conditions should be that the rent charged should be within the competence of the students. The Teachers' College, Saidapet, provides a parallel case and there the ordinary rent collected from each student is as 10 per mensem. The proposals formulated by the Principal, Training College, Rajahmundry, are on this basis as detailed in the margin and I have the honour to request that Govern-

O.H. No 2045 A - 2
 In his first letter read above the S.P. I recommends that a rent of Rs. 10 a month may be levied from each of the students residing in the hostel attached to the Govt. Training College, Rajahmundry, instead of the full rent of Rs. 2 to Rs. 6.0 per menem in order that students who live in private hotels at the place may be induced to leave them and come to the college hostel. It is observed that, if full rent is ^{recovered} from the students in the hotel, the extra cost to each student on account of rent & boarding charges as compared

para 2 of Finl. note

with the charge incurred in an ordinary hotel is only Rs 2. 6. 0 to Rs 2. 12. 0 per mensem. But the students will command greater convenience in the college hostel, and ~~in view of the fact that~~ they are also in receipt of stipends. It should not ^{therefore} ordinarily be difficult for them to meet this small extra charge ^{involved in rent, board, &c.} ~~of the fact that~~ in the hostel attached to the Govt. Arts College at Rajahmundry where the accommodation is reported to be far superior to that ~~in~~ in the Training College hostel, a rent of only Re 1. 5. 4 to Rs 2 a month is levied from each student,

it is suggested whether or they ~~therefore consider~~ that the rent in the latter hostel may not be ^{fixed at} ~~reduced to~~ Re 1 per mensem. The D.P.S. is requested to state ^{in view of the fact that} whether the rent may ~~not~~ be levied at this rate from each student

CNo. 1014A from the D.P. no 1463 of 11.4.18

Subject. Rent to be recovered from the Shwents of the Govt. Training College, Rayachmur, occupying the hostel attached to the College.

The reasons put forward in favour of the present proposal that the Govt. should bear from their own funds a major portion of the expenditure in account of the rent of the hostel building are

(1) that ~~the Govt.~~ ^{as an} inducement for Shwents to reside in the College hostel ~~is that~~ the hostel charges should be reasonable and within the competence of the Shwents, and

(2) that in the Teachers' College, Saidapet, the ordinary rent collected from ^{each} ~~the~~ Shwents is Rs. 10 per mensem.

2. The period of ^{L.T.} training lasts for 9 months and, if the full rent is recovered from them, each Shudent will have to pay Rs. $\frac{20}{9}$ or Rs. 2-3-6 per mensem. In the arts College at the same place the Shwents pay a rent of Rs. 1-8-0 for an upper room and Re. 1 for a lower room - para. 3 of G.O. no 1494 W., dated 11th November 1911. At this rate the hostel is full and a new hostel is also to be constructed shortly. The analogy of the Teachers' College, Saidapet, cannot have much force in view of the

page 2 of 4

against Rs. 10 proposed for training college Shwents

(S)

fact that the hostel at Satchel was constructed some years ago at relatively cheap cost and the accommodation provided therein is probably poor.

3. The Students in the Training College receive stipends, while students in the Arts College have to pay College fees and bear their own ^{expenses} ~~expenses~~. It is for consideration whether a rent of Rs 1-8-0 per annum against Rs 10/- proposed by the Director may not be fixed. The balance may be met from Provincial funds.

Financial will have to be consulted

38.4.18

MS
30/4/18

In the present case inducements are needed in more ways than one. First there is the general inducement for graduates to get themselves trained & to take to the teaching line. The grant of stipend ^{to the students} is an illustration in point, while in an Arts College no such incentive is found needed. ~~Inducement~~ ^{Inducement} The circumstances of the present case, as pointed out by the D.O., requires special inducement also. Students living in unhealthy and probably ~~cheap~~ less costly hotels have first to be drawn in. The D.O.'s proposals may

be accepted as a tentative arrangement.

Financial dept

A rent of annas ten a month appears very low even though a precedent is quoted. I beg to suggest a minimum of Rs 1/- a month ^{but would be half the charge.}

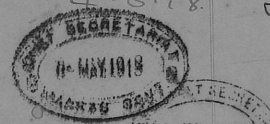

CR 6-5-18

The basis of this proposal is ^{the theory} that a monthly rent of 10 annas (in lieu of about Rs 1-10-0) will induce students to leave private hotels + come to the Govt. hostel. It is quite possible that the theory will be proved of variance with fact. We are not given any data as to the comparative cost of board and lodging in (i) the hotel + (ii) the hostel: which is the real test.

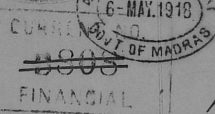

2. I wd. much sooner increase the stipend than forgo the bachelorette rent: or at least rent on the same scale as that paid by the art students for accommodation is anything less like the same in the two cases 7-5-18

The D.P.I. recommends that a rent of Rs. 10/- be levied from the students in the hostel attached to the Training College, Rajahmundry, ~~on~~ on the analogy of the Saidapet college hostel. The Training College at Rajahmundry is a counterpart of the Teacher's College at Saidupeet. The students in both the ~~same~~ Colleges receive the same rate of stipend and are obviously in similar situation. Comparison with Arts Colleges may not furnish a correct data as Training Colleges are awarded special treatment & the present proposal is based on that principle.

R
31-8-8

The D.P.I recommends that the rent per student should be 10 as per mensem. Financial recommends 1 Re per mensem. The reason adduced for levying a reduced rent is to induce students to leave private hotels and live in the premises of the Govt hostel. The difference in the rates, 6 as, is so small that so far as the reason advanced is concerned there will not be much difference in operation.
