Sir,

In forwarding herewith a copy of the "Srimad Vishnu-Purāṇa" which is being edited and issued in parts, I have the honour to submit that the printed editions of the work available at present do not contain any commentary. The edition now issued contains the 3 commentaries of the three well known scholars of the great schools of Philosophy (Advaita, Viśiṣṭā Dvaita and Dvaita). At present, Vishnu Purāṇa consists of 6,000 verses. But the editor in his prospectus states his book will contain 17,000 more which he has newly unearthed. The book contains much historical information
