From (Name) the Hon'ble Mr. J. H. Stone, M.A., F.R.H.S.,
C.I.E.,
(Designation) Director of Public Instruction,
MADRAS.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir, Through the Accountant-General, Madras/.

The University Commission which recently inspected
the Government Training College, Rajahmundry, in connec-
tion with the question of its affiliation to the Univer-
sity has remarked in its report that a Science workshop
is a necessity, and the Principal urges that in order to
attend to the making and repairing of apparatus in the
the workshop and to take the students under training
through a workshop course the services of a mechanic are

required. I have the honour accordingly to request that Government will be pleased to sanction the employment of a mechanic on Rs.30-2-40 per mensem permanently from 1st October 1918. It may be observed that a similar post on the scale of pay proposed above is attached to the Teachers' College, Saidapet and to each of the Government Arts Colleges where there are science laboratories.

2. A statement showing the scale of establishment sanctioned for the College is submitted herewith.

3. The extra expenditure of Rs.150 involved by the proposal during the current year can be met from the anticipated savings out of the provision made for salaries under "22 D-Education - Government Colleges, Professional" in the Civil Budget Estimates for 1918-1919.

I have the honour to be,

Sir,

Your most obedient Servant,

G. V. Srinivasan

for Director of Public Instruction.
