C No. 7168/18

Station Madras, Dated the 23rd August 1918

From (Name) The Hon. Mr. J.H. Stone, M.A., C.I.E., F.R.S.,
(Designation) DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,

H O M E Department.
(EDUCATION)

Sir, (Through the Accountant - General).

As the services of Dr. Simonsen have now been placed at the disposal of the Indian Munitions Board for an indefinite period and (that) Mr. Allen considers that a substitute is urgently needed for the Chemistry Department, I propose that M.R.Ry. M. Damodara Kini, M.A., L.T., Assistant Professor of Chemistry, Presidency College, in the second class of the Subordinate Educational Service - Collegiate Branch - on Rs. 175/- be appointed to act as Additional Professor of Chemistry during Dr. Simonsen's deputation with effect from 8th July 1918, the date of reopening of the college.

M.R.Ry. Gopal Rao, B.A. (Honours), University Research

928
25/7/18 (E)

Student has shown such special capacity that his addition to the Chemistry staff is highly desirable as he has specialised in Organic Chemistry and has done good research work. Gopal Rao has, however, been offered a Professorship at the Hindu University on Rs. 200 - 300 and is only prepared to take Dr. Simonsen's advice to refuse the offer if he is provided with a suitable post in Madras. As in the views of the Principal of the college and the Chemistry Professors it appears to be very desirable that he should do so I propose below a special appointment for him. If this is approved, his exact position may be decided after it is seen how he fulfils his promise as a research student and as a teacher. If he were appointed to act in the Subordinate Educational Service - Collegiate Branch, he cannot draw more than Rs. 75/- per mensem, being a moiety of the average pay of the grades, but he is not willing to continue in the college unless he is offered not less ^{salary} than Rs. 200/- per mensem as a permanent arrangement. The special temporary post I propose for him is therefore that of Research Assistant, viz., one post on Rs. 200/- outside the cadres of the Provincial and Subordinate Educational Services to be created for the present for a period of one year from 1st September 1918. I anticipate however that some such post will prove permanently necessary and I do not think that it should necessarily cease to exist or be vacated by Gopal Rao on Dr. Simonsen's return. The main justification for such a post is the success the college has so far had in research work. This has of course been largely due to Dr. Simonsen's own employment in it and the appointment of Gopal Rao to the post proposed will to some extent make up ~~for~~ ^{for} Dr. Simonsen's absence.

M.R.Ry. Damodara Kini if appointed to the Provincial Educational Service will get until he is promoted to the first grade in the Subordinate Educational Service - Collegiate Branch on Rs. 200/- only an acting allowance of Rs. 25/- per mensem which added to the extra cost involved by the creation of a post on Rs. 200/- will bring the total cost of the whole arrangement

There are now two posts on Rs. 200/- vacant

to Rs. 225/- per mensem.

This charge can be met from the savings in the provision made for the salary of the Additional Professor of Chemistry in the Presidency College under Colleges - General in the current year's budget.

I have the honour to be,

Sir,

Your most obedient servant,

B. K. Simonsen
for Director of Public Instruction.

2. There is no audit objection to the proposals being sanctioned by Government in the Financial Department.

3. It may be stated whether the temporary appointment on Rs. 200/- ^{per mensem} proposed to be held by Mr. Gopal Rao should be treated as Gazetted or non-gazetted.

Home (Edn) Sept 11

CN-2276A. From the D.P.T., CN-7168923-8-18.

Subject. Proposals for filling up the vacancy caused by the deputation of Dr. Simonsen.

The D.P.T. submits proposals

(1) for the appointment of M.R.Ry N. Damodara Kini, Assistant Professor of Chemistry, Presidency College, to act as Addl. Professor in the Prov. Ed. Service ^{with effect from the 5th July 1918} during the period of deputation of Dr. Simonsen under the Indian Munitions Board

(2) to appoint one M.R.Ry Gopal Rao, B.A. (Hons) in Chemistry as Research Assistant in the College ^{on a salary of Rs 2.00 pm} for a period of one year from the 1st Sept 1918.

2. With regard to (1) above it is submitted that Mr. Damodara Kini acted for Dr. Simonsen last year when the latter was on deputation under the Munitions Board. The proposal to appoint him again

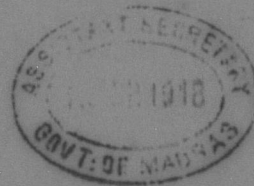

fo. 163
1877/17 (Q)

as acting Addl. Professor may be approved.

3. With regard to the second proposal of the Director, it is submitted that as Dr. Simonsen will be absent from the College for the duration of the war, it appears to be necessary to appoint a qualified assistant if the work in the Chemistry Dept. of the College should not suffer. In the circumstances explained by the D.P. the proposal to create the post of a research assistant ^{mk. 200} ~~per mensem~~ ~~to be approved~~ and to appoint Mr. R. Gopal Rao ^{to} it may be approved.

4. The A.G. enquires whether the post of Research Assistant should be treated as a gazetted appointment ^{mk. 200} or not. For the present the post may ^(it is sub?) be treated as non-gazetted.

5. A draft order is submitted for approval. It may be sent to the Finl. Dept. for acceptance.

The practical effect is that Dr. Simonsen's work will be done by two men and there will be no reduction in the number of Asst. Professors ^{Chemistry Dept.}

Financial Dept.

Financial is not concerned with the appointment of Mr. Damodara Kini as Additional Professor of Chemistry, as no extra post is required for it.

2 In regard to the creation of a post on Rs 200 for Mr. Sophal Rao, it appears from the D.P.D.'s letter that the post will eventually be required on a permanent ~~term~~ footing. In the circumstances stated by the D.P.D., the creation of ^{a temporary} ~~the~~ post may be agreed to. The rate of pay proposed, viz Rs 200, may be accepted as Mr. Sophal Rao will not ~~come~~ come for a less sum.

3 The draft order may, it is submitted, be accepted. The D.P.D. has indicated the source from which the extra cost in the current year can be met.
