Station Madras., Dated the 30th August 1918.

From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.H.S.,
C.I.E.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.
Sir, / Through the Accountant General, Madras./

While forwarding the enclosed copy of the letter from the special Chenchu officer No. 86/18 dated 4th July 1918, the Collector of Kurnool says that the special officer's work has increased all round, that it is not possible for him to inspect all the Chenchu schools and ~~the~~ to devote as much attention to them as is necessary and that he (the Collector) therefore considers that the appointment of a special supervisor proposed by Mr. Hood and recommended by Mr. Vernon (vide their reports embodied in G.O. No. 1061 Rev. dated 12th April 1917) cannot reasonably be postponed any further. The Collector also considers that the headquarters of the supervisor may conveniently be Kurnool as it is the headquarters

headquarters of the Special Officer and the Inspector of schools. The proposal to have a special supervisor is supported both by the Inspector of schools, 3rd circle and the Assistant Inspector of schools, Kurnool District. The latter of whom states that the appointment will conduce to the efficiency and orderly work of the Chenchu schools as the supervisor can then remain at each school for two or three days at each visit, give model lessons to the teacher in charge and put him in the way of keeping the school accounts and maintaining records. In consideration of the fact that the number of Chenchu schools has increased from 2 in 1916 to 14 in 1918, that the schools are spread over such a large area that it often takes, it is stated, a week to travel from a school in one taluk to a school in another, and that the officers who know local conditions all urge the proposal, I am prepared to modify the view expressed in my letter Rc.No. 5441 dated 23rd September 1916 that a special supervisor was unnecessary and have the honour to request that Government will be pleased to sanction the employment of a supervisor temporarily for one year with effect from 1st October 1918, the post being included in the last grade of the cadre of supervisors viz. Rs30. The officer may also be granted a local allowance of Rs10 per mensem as in the agency tracts besides fixed travelling allowance at Rs18 3/4 (Rs12-8-0, the usual travelling allowance plus 50 % of it) and fixed contingencies at Rs2-8-0 per mensem.

2. The proposal involves an extra expenditure of Rs310 during the current year and this I beg to state can be met from the anticipated savings in the provision made for "Inspection" in the Civil Budget Estimate for 1918-19.

I have the honour to be,
S i r,
Your most obedient servant,

G. W. S. S. S. S.
for Director of Public Instruction.

Copy of letter from L. Saunders Esquire, Chenchu & Officer, Kurnool to the Collector of Kurnool, dated the 4th July 1918, No.86/18.

.....
I have the honour to bring to your notice that there are now 10 Chenchu schools in existence and that it is anticipated that another 6 schools will be opened within the next few months. I am not able to attend to all these schools personally with sufficient regularity, and require some assistance. Mr. Hood in para 71 of his report has recommended that a Supervisor should be appointed. I have the honour to request that you will be good enough to move the Director of Public Instruction to sanction the appointment of a Supervisor on Rs30-40-50, plus a fixed Travelling allowance of Rs15, plus a hill allowance of Rs7 1/2 (i.e., 50 % of the T.A.). His head quarters should be Kurnool. *He would be required to visit each school not less than once in three months and he would be responsible for all returns and reports due from the teachers. He would see also that the schools were developing on the right lines. The appointment may be sanctioned from 1st October next. From the Director of Public Instruction's circular recently received, I learn that applications for appointments of this sort should be sent in by 1st July 1918. If therefore you are pleased to approve of my proposal, I have the honour to request that the Director may be addressed as soon as possible.*
